

# **Empowering Community through Outreach and Social Impact Initiatives**

**Shoolini University of Biotechnology and Management Sciences**

**Solan, Himachal Pradesh. PIN – 173229**

Shoolini University demonstrates a strong commitment to community empowerment through a portfolio of **four structured outreach projects**, including flagship initiatives such as:

- CSLC (Center for Science Learning and Creativity)
- Unnat Bharat Abhiyan
- Jagriti
- Ideas That Matter.

The university ensures that knowledge, innovation, and academic expertise translate into meaningful societal impact.

Anchored by the Jagriti community, over 400 activities have been conducted, spanning key domains such as education, health services, digital and information literacy, reading programs, tutorials, and community engagement. Programs like CSLC focus on strengthening foundational learning and providing academic support to school students. Regular health camps, awareness drives, and outreach activities further contribute to community well-being.

A significant dimension of Shoolini's outreach is its active participation in Unnat Bharat Abhiyan, under which the university has adopted villages in Himachal Pradesh. Through these engagements, Shoolini implements sustainable, need-based interventions addressing local challenges such as education gaps, health awareness, and livelihood enhancement, thereby fostering inclusive rural development.

## Center for Science Learning and Creativity (CSLC)

Shoolini's CSLC at Shimla, plays a pivotal role in fostering scientific curiosity and promoting educational outreach across the state of Himachal Pradesh. As part of the Himachal Pradesh State Government Science Museum, the center is committed to nurturing young minds, encouraging hands-on learning, and engaging the public in understanding the role of science in everyday life. During the academic year 2024-2025, **CSLC organised 84 activities** and continued its mission to bring science closer to students, educators, and the broader community.

Through a series of dynamic exhibitions, workshops, and collaborative events with educational institutions, nongovernmental organizations, and other stakeholders, CSLC provided a platform for experiential learning and scientific exploration. It highlights key initiatives such as the interactive science exhibitions, educational trips by various schools and universities, environmental awareness programs, and workshops focused on critical issues such as sustainability, artificial intelligence, and vocational education.

### पर्वतीय क्षेत्र नियोजन पर दो दिवसीय कार्यशाला शोधी में संपन्न

#### सवेरा ब्यूरो

शिमला, 1 मार्च : हिमाचल प्रदेश विज्ञान, प्रौद्योगिकी एवं पर्यावरण परिषद (हिमकोस्ट) के ईआईएसीपी पोसी हब और स्कूल ऑफ प्लानिंग एंड आर्किटेक्चर (एसपीए) नई दिल्ली के सहयोग से शोधी स्थित सीएसएलसी विज्ञान संग्रहालय में बहान क्षमता एवं पर्वतीय क्षेत्र नियोजन विषय पर दो दिवसीय कार्यशाला आयोजित की गई। इसमें आसपास के विश्वविद्यालयों के सिविल इंजीनियरिंग संकाय के 58 विद्यार्थियों ने भाग लिया।

कार्यशाला का उद्देश्य विद्यार्थियों को बहान क्षमता आकलन, सतत पर्वतीय विकास, पर्यावरण संरक्षण और संवेदनशील पारिस्थितिकी तंत्र में वैज्ञानिक नियोजन की तकनीकी समझ प्रदान करना रहा। समापन सत्र में

हिमकोस्ट के संयुक्त सदस्य सचिव डॉ. सुरेश सी. अत्रो मुख्य अतिथि रहे। उन्होंने कहा कि हिमाचल जैसे पारिस्थितिक रूप से संवेदनशील क्षेत्रों में विकास प्राकृतिक सीमाओं और संसाधनों के अनुरूप होना चाहिए।

विशेषज्ञ के रूप में प्रो. एमएस टाकूर और डॉ. अरुणाभ पोद्दार ने सुरक्षित निर्माण, आपदा प्रबंधन, जल संसाधन प्रबंधन, ढाल स्थिरता और जिम्मेदार पर्यटन पर विस्तृत जानकारी दी। उन्होंने अनियोजित निर्माण और संसाधनों पर बढ़ते दबाव को भूस्खलन, जल संकट और पर्यावरणीय क्षरण का कारण बताया। कार्यशाला के अंत में प्रतिभागियों को प्रमाण पत्र वितरित किए गए। आयोजकों ने इसे प्रदेश में सतत एवं वैज्ञानिक नियोजन को बढ़ावा देने की दिशा में महत्वपूर्ण पहल बताया।

## Engagement in Unnat Bharat Abhiyan

Shoolini University actively participates in the Unnat Bharat Abhiyan (UBA), a flagship initiative of the Government of India aimed at strengthening rural India through higher education institutions. Under this program, the university has adopted multiple villages in Himachal Pradesh to implement sustainable, community-driven development interventions.

**12 events** were organised by the Shoolini University under this initiative. The adopted villages serve as living laboratories, where faculty and students engage directly with local communities to identify challenges and co-create solutions. Key focus areas include:

- **Education & Literacy:** Remedial classes, digital literacy, and school support programs.
- **Health & Hygiene:** Health camps, sanitation awareness, and preventive healthcare initiatives.
- **Livelihood & Skill Development:** Training programs to enhance employability and income generation.
- **Sustainable Practices:** Promotion of clean energy, waste management, and environmental awareness.

Through structured field visits, surveys, and participatory planning, Shoolini ensures that interventions are need-based and locally relevant. The initiative not only contributes to improving the quality of life in rural communities but also provides students with experiential learning aligned with real-world challenges.

Overall, Shoolini University's engagement under Unnat Bharat Abhiyan reflects its commitment to "Ideas That Matter", transforming academic knowledge into tangible social impact and sustainable rural development.

## Shoolini University launches 'Pragati' to Empower Rural Women Entrepreneurs

 Administrator  Start Date : 28-Jan-2025 00:00:00  End Date : 28-Jan-2025 00:00:00 

Shoolini University launched 'Pragati', a pioneering initiative aimed at empowering rural women entrepreneurs by equipping them with essential business skills, mentorship, and leadership support. Spearheaded by Payal Jindal Khanna, Deputy Director and Head of the Centre for Leadership Coaching, with strategic guidance from Chief Learning Officer Dr Ashoo Khosla and Vice-Chancellor Prof Atul Khosla as Programme Advisor, the programme began with an inaugural session involving seven Sakhis from villages under the Sanhol Panchayat. Conducted in a hybrid format, the session enabled meaningful interaction between the Sakhis, Sarthis (coaches), and Sahyogis (student mentors), laying a strong foundation for their entrepreneurial journey. Scheduled from January to July 2025, the programme follows a structured three-tier coaching and mentorship model that emphasizes regular participation, collaborative learning, and practical implementation. Coaches conduct focused one-on-one sessions to build self-awareness, address challenges, and develop solutions, while student mentors provide continuous business guidance through regular checkpoints and individual interactions. Organized by the Centre for Leadership Coaching, the initiative also included awareness and orientation sessions in adopted villages to promote entrepreneurship, self-reliance, and livelihood opportunities among rural women. Through interactive discussions and confidence-building activities, the programme enhanced participants' understanding of entrepreneurship and Project Pragati, encouraged active engagement, and helped identify women interested in pursuing further training and sustained mentoring support.

# Unnat Bharat Abhiyan Cell to facilitate rural development

OUR CORRESPONDENT

Chamba, Updated At : 07:01 AM Oct 06, 2024 IST

The Unnat Bharat Abhiyan Cell was inaugurated at the Government Post Graduate College, Chamba, by Principal Prof Rakesh Rathore on Saturday. “We need to utilise our knowledge and resources to bring about positive changes in rural communities,” said Prof Rathore, emphasising that the initiative was aimed at facilitating rural development.

Dr Kuldeep Raj delivered a lecture on 'A Holistic Approach to Rural Development'. Stressing the importance of economic development, education, healthcare and environmental sustainability, he stated that there is a need to focus on both education and skill development.

Vijay Kumar, the Nodal Officer of the Unnat Bharat Abhiyan Cell, explained that the initiative, led by the Ministry of Education, was aimed at fostering development in rural areas. He further emphasised that the campaign serves as a bridge connecting higher education institutions with rural communities.

Special guests at the event included Prof Avinash Pal, Dr Shelly Mahajan, Dr Sachin, Ankita Dhawan, Dr Santosh Kumari, Dr Pawan Kumar and Dr Pankaj.

## **September 30, 2024, and October 03, 2024**

### **Mega Plantation Drive – An Effort to increase Green Cover**

Shoolini University organized a two-day plantation drive on October 10-11, 2024, at Shoolini Village and Yogananda Villa, witnessing enthusiastic participation from students across all departments. The initiative aimed to enhance biodiversity and promote long-term environmental sustainability, with over 300 saplings of native tree species planted during the event.

The plantation drive was designed not only to increase green cover but also to educate students on sustainable practices. Participants learned about the importance of using organic fertilizers and proper tree care techniques, reinforcing the significance of environmentally friendly methods in nurturing the planted saplings. This educational component aimed to empower students with knowledge that extends beyond the event, encouraging them to adopt sustainable practices in their daily lives.

By focusing on native species, the drive aimed to ensure a positive impact on the local ecosystem, promoting water conservation and improving soil health. The initiative underscored Shoolini University's commitment to eco-friendly practices and its role in mitigating climate change and reducing the carbon footprint.

The event fostered a sense of environmental responsibility among participants, engaging students as key contributors to a greener, more sustainable future. Overall, the plantation drive was a successful demonstration of collective action towards environmental stewardship, reinforcing the university's mission to promote sustainability and community involvement.

**October 02, 2024**

## **Honouring Gandhi's Legacy: Shoolini's Cleanliness Drive on His Birth Anniversary**

On October 2, 2024, the NSS (National Service Scheme) unit of Shoolini University organized a successful cleaning drive on the occasion of Gandhi Jayanti, aimed at enhancing environmental responsibility and cleanliness in the areas surrounding the university campus. This initiative brought together a dedicated team of over 50 volunteers who actively engaged in litter collection and waste segregation, dividing waste into biodegradable and non-biodegradable categories.

Through this hands-on approach, participants not only contributed to a cleaner environment but also educated local residents on the significance of sustainable waste disposal practices. The initiative highlighted the importance of community involvement in waste management and the need for collective action to address environmental challenges. In addition to cleaning efforts, volunteers planted saplings in the area, furthering their commitment to environmental conservation and the enhancement of green spaces.

The cleaning drive significantly improved the local environment and fostered a sense of civic responsibility among students, instilling values of community service and environmental stewardship. Shoolini University remains committed to supporting such initiatives, recognizing their importance in promoting sustainability, community engagement, and creating a cleaner, greener campus. Through these efforts, the university continues to play a vital role in cultivating awareness and action toward environmental sustainability within the community.

**November 16, 2024**

### **Nurturing Nature: Ashwini Khad Cleaning Drive by NSS Students**

NSS students from Shoolini University organized a cleaning drive at Ashwini Khad, focusing on environmental conservation and sustainability. The event aimed to promote awareness about the importance of waste management and community involvement in preserving the environment. The students actively collected litter and segregated it into recyclable and non-recyclable categories, ensuring proper disposal.

What made this drive unique was its incorporation of fun and engaging activities. Students participated in friendly waste-collection challenges and sustainability-themed scavenger hunts, making the event both productive and enjoyable. Creative workshops on upcycling allowed participants to transform waste materials into useful or decorative items, showcasing practical

ways to reduce waste. Sustainability-themed quizzes and interactive skits further educated participants and locals on the significance of reducing, reusing, and recycling.

The cleaning drive emphasized teamwork, creativity, and community outreach, creating a lively atmosphere that inspired everyone involved. Local residents also joined in, fostering a sense of shared responsibility for the environment. This initiative highlighted Shoolini University's commitment to sustainability, showcasing how small actions, combined with awareness and engagement, can make a significant impact. By blending education with hands-on efforts, the Ashwini Khad cleaning drive served as a model for promoting environmental consciousness and community involvement.

By combining education with hands-on action, the Ashwini Khad cleaning drive not only promoted sustainability but also strengthened bonds within the community, leaving a lasting impact.

## Jagriti – A Social Community Project at Shoolini University

Jagriti is Shoolini University’s dedicated student-led social outreach platform that actively manages and implements a range of community-focused projects in nearby rural and semi-urban areas. It serves as a structured mechanism through which students and faculty contribute to social development through organized initiatives. **In the Academic Year 2024-25, 71 events were organised under Jagriti initiative.**

Jagriti undertakes projects across multiple domains, including:

- **Education & Tutorials:** Providing academic support, reading programs, and mentoring for school students
- **Health & Hygiene:** Organizing health camps, awareness drives, and sanitation initiatives
- **Community Engagement:** Conducting outreach activities, awareness campaigns, and social inclusion programs
- **Environmental Initiatives:** Plantation drives, cleanliness campaigns, and sustainability awareness
- **Skill Development:** Workshops and sessions aimed at enhancing practical and life skills among youth

These projects are implemented through regular field visits, volunteer engagement, and collaboration with local communities to ensure relevance and impact. Jagriti also complements broader university outreach efforts, including village-level interventions and national programs.

## शूलिनी विवि में रक्तदान शिविर, 101 रक्तदाताओं ने किया रक्तदान

शूलिनी विवि में आयोजित शिविर में रक्तदान करते रक्तदाता।

**सवेरा न्यूज/सतीश शर्मा**  
सोलन, 20 फरवरी : शूलिनी विवि स्नातकोत्तर चिकित्सा शिक्षा और अनुसंधान संस्थान (पीजीआईएमईआर), चंडीगढ़ और अन्य चिकित्सा संघटनों के सहयोग से रक्त की कमी को दूर करने और स्वास्थ्य जागरूकता को बढ़ावा देने के लिए एक रक्तदान शिविर का आयोजन किया गया। इस आयोजन को जबरदस्त प्रतिक्रिया मिली, जिसमें कुल 101 रक्तदाताओं का पंजीकरण हुए। स्थिरता के लिए प्रतिबद्ध, शूलिनी विवि ने डिजिटल रिकॉर्ड-कीपिंग और बायोडिग्रेडेबल सामग्रियों के उपयोग जैसी पर्यावरण-अनुकूल प्रथाओं को अपनाया, जिससे

पहल के पर्यावरणीय पदचिह्न को कम किया जा सके। शिविर का प्रबंधन सर्पित छत्र स्वयंसेवकों द्वारा किया गया, जिन्होंने दानदाताओं के आराम और कल्याण को प्राथमिकता देते हुए उनके लिए एक सहज अनुभव सुनिश्चित किया। सामुदायिक कल्याण के प्रति विवि की प्रतिबद्धता पर प्रकाश डालते हुए, स्थिरता और सामुदायिक परियोजनाओं की निदेशक पूनम नंदा ने कहा कि हमारे रक्तदान शिविर लगातार उम्मीदों से बेहतर होते हैं। ये पहल न केवल क्षेत्रीय रक्त उपलब्धता को बढ़ाती हैं, बल्कि सतत विकास लक्ष्यों के अनुरूप भी हैं, जिससे समुदाय की सेवा के प्रति हमारा समर्पण मजबूत होता है।

## Lights, Camera, Green Action: Shoolini's Youth Day Sustainability Challenge

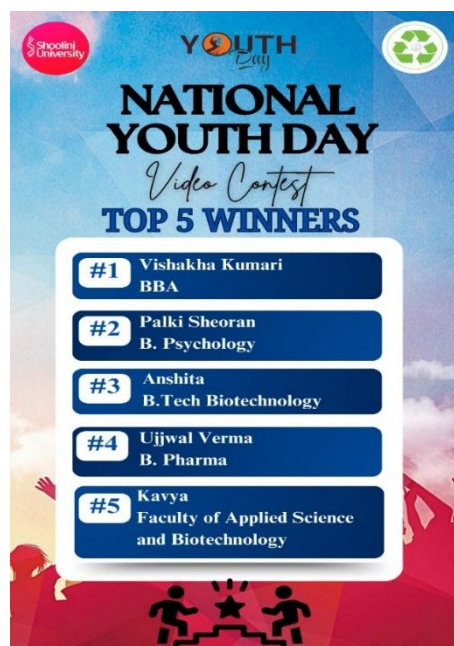

**Date:** 12 January 2025

Shoolini University's Online Youth Day Video Making Contest turned out to be a remarkable celebration of creativity, sustainability, and youth empowerment. The contest was designed to encourage students to express their ideas and actions for creating a greener future through short videos. The participants were asked to showcase how they, as the youth of today, could contribute to sustainability through various means such as recycling, renewable energy adoption, social initiatives, or any eco-friendly practices they were personally involved in.

The contest attracted a large number of inspiring entries, each offering a unique perspective on the role of young people in shaping a more sustainable world. After careful evaluation, the top 5 videos were shortlisted, each demonstrating outstanding creativity, innovation, and relevance to sustainability goals. These videos stood out for their impactful messages and the practical actions they showcased, reflecting the deep commitment of the participants to environmental stewardship.

The top 5 winners were awarded for their remarkable efforts, with prizes recognizing their creativity and dedication to sustainability. Their videos not only raised awareness but also inspired others to think about how they could contribute to sustainability in their own lives. By highlighting practical, achievable actions like reducing waste, conserving energy, or leading community initiatives, these top entries illustrated that even small actions can have a significant impact on the environment.

The contest was a huge success in achieving its goals of fostering environmental consciousness, engaging students in meaningful conversations about sustainability, and empowering them to take action. It also helped strengthen Shoolini University's commitment to creating a culture of sustainability, both on and off campus. The event was a true reflection of how the youth, with their innovative thinking and passion for change, can contribute to building a better, more sustainable future for all.

## Quit It Right: A Two-Day Journey Towards Healthier Choices

**Date:** 17-18 January 2025

**Platform:** ZOOM (online)

A two-day Tobacco Cessation program, led by Dr. Sumedha Kushwaha, was held online. The program focused on educating participants about the harmful effects of tobacco use and providing effective tools for quitting. The sessions aimed to not only support individuals in their journey to quit tobacco but also integrate sustainability practices in the process.

### **Day 1: Effects of Tobacco and Approaches for Patients Ready and Not Ready to Quit**

The first day of the program focused on raising awareness about the severe health effects of tobacco use, including its detrimental impact on the lungs, heart, and overall well-being. Dr. Kushwaha outlined the long-term consequences of tobacco addiction, such as respiratory diseases, cardiovascular issues, and the increased risk of cancer.

For **patients who are ready to quit**, there are a variety of effective strategies available to help them overcome addiction. These include pharmacotherapy such as nicotine replacement therapies (gum, patches, inhalers), which help manage withdrawal symptoms and medications that reduce cravings. Behavioral therapies also play a critical role, where patients learn to identify triggers and develop coping strategies.

For **patients who are not yet ready to quit**, the approach focuses on providing education about the harmful effects of tobacco and encouraging contemplation about the benefits of quitting. Motivational interviewing and gradual behaviour change techniques can help shift their mindset. Instead of immediately pushing for cessation, healthcare professionals may work with these patients to reduce their tobacco use over time, providing them with resources and support to make the eventual decision to quit when they feel more prepared. The goal is to create an environment where the patient feels ready to take the next step when they are ready.

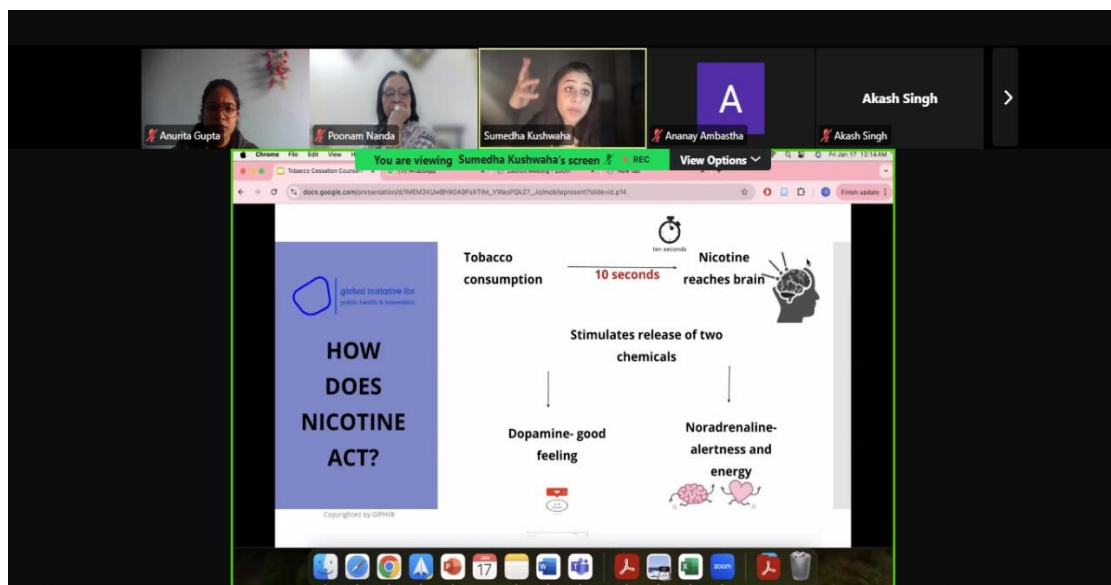

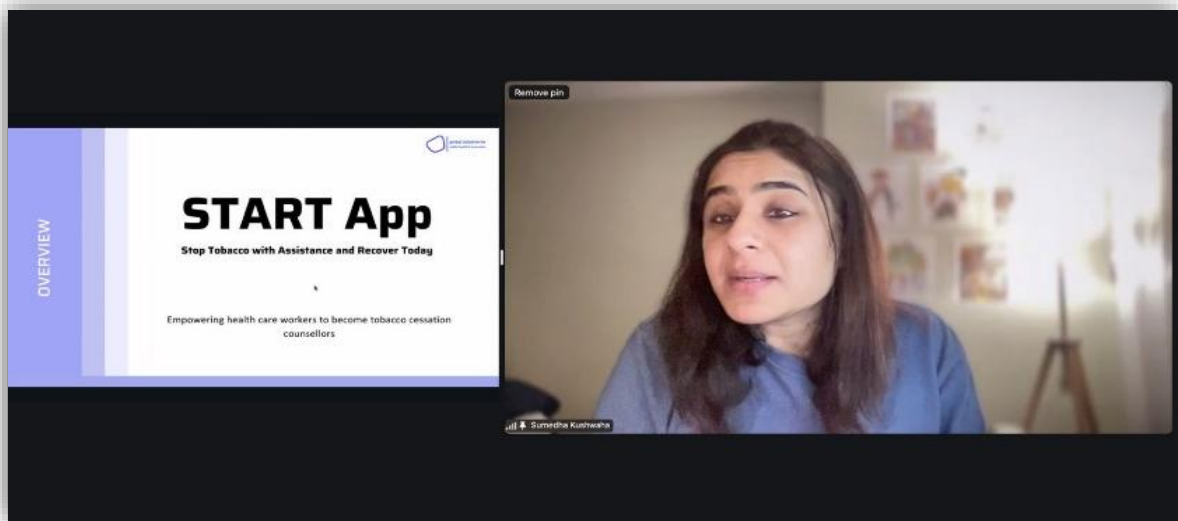

The session provided valuable insight into the support systems available for individuals embarking on the journey to quit tobacco.

### **Day 2: Introduction to the START App**

The second day focused on the **START App**, a digital tool developed to assist individuals in their tobacco cessation journey. Dr. Kushwaha highlighted the app's features, including progress tracking, personalized motivation, and educational resources to help users stay engaged and committed to quitting. By leveraging technology, the app serves as a comprehensive resource for individuals seeking to overcome tobacco addiction, making the process more accessible and manageable. A self-training course was provided, guiding users through various stages of a person who is quitting tobacco. The app provides detailed information, including personalized strategies, techniques, and support resources. Through the app, users can access counselling sessions and stay committed to their goal of quitting. It serves as a comprehensive guide for tobacco counsellors, empowering users to manage patients' cessation journey.

By utilizing digital platforms, the program was able to reach a wide audience while ensuring a smaller environmental footprint. This commitment to sustainability reflected the event's broader focus on health and well-being, reinforcing the importance of both personal and environmental responsibility. The eco-friendly approach, combined with the use of a digital tool like the START App, emphasized the role of technology in creating solutions that not only support individual health but also promote a greener, more sustainable future.

The event successfully merged health education with eco-conscious practices, making a meaningful impact on both participants' well-being and the environment.

## Ideas That Matter at Shoolini University

Ideas That Matter at Shoolini University reflects a strong commitment to translating knowledge into meaningful societal engagement through large-scale outreach and action-driven initiatives. A key dimension of this approach is the university's extensive engagement with schools and local communities.

During the reporting period, Shoolini University successfully organized **334 outreach events**, primarily conducted in schools and surrounding communities. These events focused on education, awareness, health, environment, and skill development, creating direct impact at the grassroots level.

The outreach activities included:

- **School Engagement Programs:** Interactive sessions, tutorials, career guidance, and foundational learning support
- **Awareness Drives:** Campaigns on health, hygiene, environment, and social issues
- **Skill & Capacity Building:** Workshops to enhance practical knowledge and life skills among students
- **Community-Oriented Initiatives:** Activities promoting social responsibility and civic awareness

**334 events were organised** which demonstrate the university's structured and sustained efforts to engage with the community at scale. By actively reaching out to schools and local populations, Shoolini University ensures that knowledge dissemination, awareness, and capacity building extend beyond the campus, contributing to broader social development.
