

Dear Shoolinian,

Welcome to Shoolini University and to a new and exciting chapter of your life. We will begin the new academic year with a five day induction program to help you familiarize with your university and settle into the new routine.

The campus is already buzzing with activities, and soon your presence will add to the excitement and energy.

For any support, your counsellors and campus buddies will be there to help you. The five day program has been thoughtfully curated and designed, you will meet the senior management, learn the way your classes will function, get familiar with technology, interact with your department and complete your academic registration process. You are also going to love the fun activities that we have lined up! A perfect mix of gaining knowledge, making long lasting friendships and having loads of fun.

The Induction program is mandatory for all freshers to attend. For all exceptions you need to send an e-mail on [vipultomar@shooliniuniversity.com](mailto:vipultomar@shooliniuniversity.com) citing the reason for not being able to be a part of it.

At Shoolini we take pride in being a green and sustainable campus. You will witness the 'Reduce, Reuse and Rejoice' vibe here. We are also a happy campus and we firmly believe in celebrating ourselves and each other!

Welcome to Shoolini! Your arrival here is eagerly awaited 😊

Looking forward to see you soon!

Best wishes

Poonam Nanda

Director, Sustainability and Social Impact
