Subject: Thank you for your Continued Support.

Dear Mrs. Nanda,

Thank you for making the time to meet the new team in Delhi. We are full of energy and excitement as our #Mission1000 is more than half way through.

We are grateful to the support of Shoolini Management and student volunteers as they continue to support our endeavours. The most recent being #missionhunger where Shoolini volunteers participated whole heartedly.

We now look forward to your team leading the Pink October initiatives around breast cancer awareness.

Thanks once again!

Best Regards,

Jitten Vir Bhasin
