Areas of Interest

- Business Transformation
- Financial Services
- Startups and Innovation

Professional Journey

Dean Munish boasts a rich **25-year career spanning Financial Services (HSBC, Citibank, ANZ), Higher Education (Ashoka University), and Startups (Nudje)**. His COO roles covered diverse areas from Business Transformation to Finance, Risk, and Operations.

Achievements

Munish led multi-million-dollar programs, including **pioneering efforts like the launch of India's first prepaid card at Citibank**. He played a key role in various industry firsts.

Transition to Higher Education

Transitioning to the Higher Education sector, Munish took a leadership role at Ashoka University, contributing significantly to its recognition as one of India's premier liberal education institutions.

Educational & Personal Background

Munish is an **MBA from IRMA and holds an Honours Degree in Journalism from University of Delhi**. He has participated in leadership development programmes by **Ivy Business School in Hong Kong and Duke University in Mexico**. He has walked 100 Kms across Sahara Desert as part of a Charity Challenge, raising funds for Water Aid.

Vision for Shoolini School of Business Management

“We are striving to make Shoolini School of Business Management a Top 20 Business School. In doing so, our emphasis is on incorporating best-in-class curriculum; ensuring that our faculty is a mix of academicians, researchers and practitioners and our students are balanced both on IQ & EQ parameters. The Shoolini Business School experience goes much beyond the classroom wherein students are mentored by senior executives from industry, coached by subject matter experts through learning bootcamps and get experiential learning through live projects and business simulations. I am excited about our future and look forward to working closely with young students who will be business leaders of tomorrow.”

Shoolini's learning spaces empower you to think big, act boldly, and achieve greatness.

How does our **fully residential MBA** program give you a competitive edge?

6 KEY ADVANTAGES

24/7 Immersive Learning Atmosphere: Living on campus provides a continuous learning environment, facilitating discussions, collaborations, and active engagement with peers and professors.

Enhanced Collaborative Learning: Living on campus fosters an environment conducive to collaborative learning, encouraging teamwork, collective problem-solving, and diverse perspectives among peers, enriching the overall academic experience.

Easy Access to Resources: On-campus living grants convenient access to libraries, laboratories, career centers, and other facilities, optimizing utilization of academic and career resources.

Personal Development: The residential setting promotes personal growth, enhancing skills in leadership, teamwork, adaptability, and conflict management through daily interactions and experiences.

Convenience and Focus: Elimination of commute time and distractions allows students to concentrate on studies, participate in extracurricular activities, and engage fully in the MBA experience.

Startup Accelerator Access: Residential MBA programs provide direct access to on-campus startup accelerators and incubators, offering valuable resources, mentorship, and funding for aspiring entrepreneurs.
