

Doctoral Program

Course	SDG
PhD Alternative Dispute Resolution	Peace and Justice Strong Institutions
PhD Agriculture (Agronomy, Agricultural Extension Education, Entomology, Plant Pathology, Soil Science, Plant Breeding and Genetics)	Responsible Consumption and Production, Zero Hunger
PhD Applied Economics	Decent Work and Economic Growth
PhD Cancer Biology	Good Health and Well-being
PhD Civil Engineering	Sustainable Cities and Communities
PhD Disaster Management	Climate Action
PhD Economics	Decent Work and Economic Growth
PhD Energy	Affordable and Clean Energy
PhD Environmental Sciences	Climate Action
PhD Food Technology	Responsible Consumption and Production, Zero Hunger
PhD Human Rights	Peace and Justice Strong Institutions
PhD IPR	Industry, Innovation and Infrastructure
PhD Legal Sciences	Peace and Justice Strong Institutions
PhD Pharmaceutical Sciences (Pharmaceutics, Pharmacology, Medicinal Chemistry, Pharmacognosy, Pharmaceutical Chemistry)	Good Health and Well-being
PhD Psychology	Good Health and Well-being
PhD Public Relations	Peace and Justice Strong Institutions
PhD Water Management	Clean Water and Sanitation
PhD Yoga	Good Health and Well-being
PhD Biotechnology	Good Health and Well-being
PhD Microbiology	Good Health and Well-being

PG Programs

Course	SDG
LLM	Peace and Justice Strong Institutions
M Pharma Pharmaceutics	Good Health and Well-being
M Pharma Pharmacognosy	Good Health and Well-being
M Pharma Pharmacology	Good Health and Well-being
M Pharmacy Pharmaceutical Chemistry	Good Health and Well-being
M Tech Civil	Sustainable Cities and Communities
M Tech Climate Science and Sustainable Development	Climate Action
M Tech Energy Technology	Affordable and Clean Energy
M Tech Food Technology	Responsible Consumption and Production, Zero Hunger
MA/ MSc Psychology	Good Health and Well-being
MBA Food Technology	Responsible Consumption and Production, Zero Hunger
MBA International Relations	Partnerships for the Goals
MBA Pharma and Healthcare Management	Good Health and Well-being

MSc Agriculture (Agricultural Economics)	Decent Work and Economic Growth
MSc Agriculture (Agricultural Extension Education, Agronomy, Entomology, Plant Breeding & Genetics, Plant Pathology, Soil Science)	Responsible Consumption and Production, Zero Hunger
MSc Environmental Sciences	Climate Action
MSc Food Technology Research	Responsible Consumption and Production, Zero Hunger
MSc Nutrition and Dietetics	Good Health and Well-being
MSc Yoga	Good Health and Well-being
M Tech Biotechnology	Good Health and Well-being
MBA Biotechnology	Good Health and Well-being
MSc Biotechnology Research	Good Health and Well-being
MSc Microbiology Research	Good Health and Well-being
MBA Digital Marketing	Decent Work and Economic Growth
MBA Marketing	Decent Work and Economic Growth

UG Programs

Course	SDG
B Tech Food Technology Research	Responsible Consumption and Production, Zero Hunger
B Tech Renewable Energy	Affordable and Clean Energy
BA (Hons) Liberal Arts Economics and Finance	Decent Work and Economic Growth
BA (Hons) Liberal Arts Psychology and Counseling	Good Health and Well-being
BA/ BSc Behavioural & Neuro Psychology	Good Health and Well-being
BSc (Hons) Agriculture	Responsible Consumption and Production, Zero Hunger
BSc (Hons) Food Technology Research	Responsible Consumption and Production, Zero Hunger
BSc Nutrition and Dietetics	Good Health and Well-being
BSc/ BA Yoga	Good Health and Well-being
B Pharmacy	Good Health and Well-being
B Tech Civil	Sustainable Cities and Communities
BA LLB	Peace and Justice Strong Institutions
BBA (Rural Management)	No Poverty, Zero Hunger
B Tech Biotechnology Research	Good Health and Well-being
BSc (Hons) Biotechnology Research	Good Health and Well-being
BSc (Hons) Industrial Microbiology	Good Health and Well-being
BSc (Hons) Microbiology Research	Good Health and Well-being
BBA Digital marketing	Decent Work and Economic Growth
