

Environment and Sustainability Club

The inaugural gathering of the Environment and Sustainability Club took place on August 31, 2023, from 5:30 PM to 6:30 PM. The meet was designed to provide a platform for new members to connect, share ideas for environment protection and sustainable ways of living.

Activity 1: Club Mela

Club Mela is an event dedicated to freshers getting to know about the clubs and their activities. Senior students elucidated about the club format, its participation eligibility, and what kind of events freshers have to organize in the future. We participated in the club mela, held on August 17, 2023, from 5:00 PM – 7:30 PM, and arranged three stalls.

1. Food stall
2. Game stall
3. Jewellery stall

Activity 2: - Workshop on Recycling and Reusing for the students of South vale: The World School

1. Awareness about the R3 cycle.
2. Poster-making competition R3.
3. Essay on the advantage of R3.
4. Create a genius idea out of cardboard/Build cardboard castle.
5. Create tin can robots.
6. Make a recycle city.

Activity 3: - Cleaning Drive from ATM to Maggie Point

In this drive the club members are participated. The main aim of this drive mainly focused on plastics which are harmful for the environment. The drive done at 06/10/23 in morning time in between 7: 30 to 8: 30 am.

Activity 4: - Wildlife week celebration by collaboration with 51A Wildlife Conservation & Research Foundation

This celebration is celebrated on 06/10/23 near Nescafe in Campus. In this celebration we have organized wildlife theme-based photography and facing painting competition. We provided the certificate and gifts to winners and E- certificate to participant. Along this we are also providing certificates to volunteers who gave their best for making this celebration successful.
