The Annual Quality Assurance Report (AQAR) of the IQAC

For the Academic Year 2016-17

Part – A

1. Details of the Institution

1.1 Name of the Institution

Shoolini University of Biotechnology and
Management Sciences

1.2 Address Line 1

Village Bajhol

Address Line 2

Post Office Sultanpur

City/Town

SOLAN

State

Himachal Pradesh

Pin Code

173229

Institution e-mail address

registrar@shooliniuniversity.com

Contact Nos.

01792- 308000

Name of the Head of the Institution:

Prof.P.K.Khosla

Tel. No. with STD Code:

01792 – 308000 (O) 01792 – 221340 (R)

Mobile:

+919816064182

Name of the IQAC Co-ordinator:

Ms.Varsha Patil

Mobile:

+919857550999

IQAC e-mail address:

iqac@shooliniuniversity.com

1.3 NAAC Track ID (*For ex. MHCOGN 18879*)

HPUNGN11360

1.4 NAAC Executive Committee No. & Date:

(For Example EC/32/A&A/143 dated 3-5-2004. This EC no. is available in the right corner- bottom of your institution's Accreditation Certificate)

EC(SC)/20/A & A/28.1 dated
16 Dec, 2016
(DOI 29 Nov to 01 Dec, 2016)

1.5 Website address:

www.shooliniuniversity.com

Web-link of the AQAR:

<http://www.shooliniuniversity.com/pdf/AQAR.pdf>

For ex. <http://www.ladykeanecollege.edu.in/AQAR2012-13.doc>

1.6 Accreditation Details

Sl. No.	Cycle	Grade	CGPA	Year of Accreditation	Validity Period
1	1 st Cycle	B++	2.92	2016	5 yrs.

1.7 Date of Establishment of IQAC:

DD/MM/YYYY

26/12/2014

1.8 AQAR for the year (*for example 2010-11*)

2016-17

1.9 Details of the previous year's AQAR submitted to NAAC after the latest Assessment and Accreditation by NAAC ((for example AQAR 2010-11 submitted to NAAC on 12-10-2011))

i. AQAR _____ NA _____ (DD/MM/YYYY)

DST-FIST grant

Shoolini University has been awarded DST-FIST grant for the “Establishment of Advanced Research Facility for Proteomics (No. SR/FST/LSI-633/2015)

The DST-FIST project was sanctioned in view of our strength in proteomics, drug discovery, agriculture, industrial enzymes and food technology.

Funds Sanctioned: 65 lakh (50:50 mode)

Objectives:

- a) Proteomics for identifying Polo-Like Kinase (PLK) targets to develop specific therapeutics for cancer
- b) Proteomic analysis of PLK as biomarker for cancer in Indian cases

- c) Purification and commercial production of industrially important enzymes
- d) Microbial ecology, plant-symbiont and soil-plant-microbe interactions, microbial taxonomy, and bio-prospecting of microbial (thermophiles, halophiles, psychrophiles) under different stress conditions to unravel the novel proteins and biomolecules responsible for the interaction and adaptation.
- e) Proteomics for host-pathogen interaction to identify global changes in the host/pathogen proteome during infection.
- f) To establish specific proteome database (protein based expression as biomarkers for health and disease) for the identification of drug targets, diagnostic and vaccine development against protozoal and multidrug resistant bacterial diseases.
- g) Study the role of biotic elicitors (Plant Growth Promoting Rhizobacteria, Arbuscular Mycorrhizal Fungi, Phytohormones etc.) in improving antioxidant potential, growth, productivity and secondary metabolite production in medicinal plants under environmental stress conditions.
- h) Yeast proteomics as a tool to develop assay for functional food.

Table 1.1 Other Grants received by the university in the Academic year 2016-17

Funding agency	Amount (lakh)
Ministry of food processing industry (New Delhi)	73.71
Food Testing Lab (MoFPI) (Grant released)	285.39 crore

Creation of Infrastructure for B.Tech Food Technology Degree Course

This grant in aid was given by the Ministry of Food Processing Industry Govt. of India (New Delhi) to support Food Technology program in the University. This grant was utilized for purchase of books, journals and 27 major equipment's related to various fields of the Food Technology. This infrastructure will help students in their specialization viz. fruits and vegetable technology, dairy technology, bakery and confectionary, meat technology and fermentation technology during the offered program.

Creation of Food Testing Laboratory

This laboratory is being set up as a separate entity in the name M/s Shoolini Life Sciences Pvt. Ltd. with technical and scientific support of School of Bioengineering and Food Technology, Shoolini University, Solan, HP. The main aim of this laboratory is to provide nutritional labelling and food safety certification to various entrepreneurship setups and industrial units in Himachal Pradesh and adjoining states. Beside this facility will also be available for analysis of research samples of the host and other universities and R & D units of the country.

2. IQAC Composition and Activities

2.1 No. of Teachers

6

2.2 No. of Administrative/Technical staff

1

2.3 No. of students

2

2.4 No. of Management representatives

2

2.5 No. of Alumni

1

2.6 No. of any other stakeholder and

0

Community representatives

2.7 No. of Employers/ Industrialists

0

2.8 No. of other External Experts

2

2.9 Total No. of members

University has organized total 59 events in 2016-17. All schools are proactively involved in promoting learning from leaders across various fields and walks of society. The University has a plethora of outreach programs that include seminars, guest lectures, workshops, panel discussions, alumni talk, etc. which aims to provide a wholesome learning environment to the students. The University has initiated **Guru Series** of talk wherein an eminent person holds a talk on regular basis for the staff and students.

(ii) Themes

Table 1.2 GURU SERIES organized during the Academic year 2016-17

S.no	Date	Name of the guest Speaker	Designation/ Industry	Topic
1	5/7/2016	Ms. Shinjini Kumar	CEO Paytm, a former central banker and senior executive at consultancy PWC.	"Significance of Paytm"
2	25/07/2016	Yuji Nishikawa San	India Liaison Representatives JST (Japan Science and Technology Agency)	"Science and Technology"
3	9/9/2016	Lt General Kamal Davar	Rtd. Lt. General	"Leadership Building"
4	22/09/2016	Anandmurti Gurumaa	Gurumaa at Rishi Chaitanya Ashram	"An Awakened being, a Profound Mystic and a Contemporary Master"
5	14/10/2016	Prof. Saranjit Singh	Head the Deptt of Pharma NIPER, Mohali	"Industrial prospects of Quality Control and Quality Assurance"
6	11/9/2016	Proff Howarth	Professor of Allergy and Respiratory Medicine and Honorary Consultant Physician within Medicine at the University of Southampton.	"Micro and Nanostructures for The Light Control"
7	18/11/2016	Proff Peter H. Raven	Botanist and advocate of conservation and biodiversity. Trustee of the National Geographic Society and Chairman of the Board for the Center for Plant Conservation, a national organization	"Conservation of Biodiversity"
8	18/11/2016	Proff Harrison	Professor of Physics and Distinguished Research Professor at Florida State University, USA	"Cosmology and High Energy"
9	17/02/2017	Dr. Rajendra Singh Paroda	Former Director General of the ICAR and Secretary, Department of	Plant Breeding and Genetics'

			Agricultural Research and Education (DARE), Government of India.	
10	23/02/2017	Dr. (Mrs) Renu Thakur	Renowned counselor	Challenges faced by fresher's in the university after school'
11	3/3/2017	Dr. Naresh Chandan	Illinois USA	Fever of unknown origion'
12	17/03/2017	Major Priya Jhingan	First lady to have been commissioned as an officer in the Indian Army, and presently teaches English at the Lawrence school Sanawar.	Leadership Skills'
13	27/03/2017	Miss Heather	CEO/MD of Wallick Consulting Dripping Springs Texas USA and has worked in Harvard university for eleven years.	Myths, Diversity and Holistic Approach'
14	31/03/2017	Gen (retd) K.J. Singh	Retd. Gen.	The importance of character building in the youth'
15	18/04/2017	Mr Vinamra Longani	Author	Wel Come on Board'
16	21/04/2017	Lt General (retd)Vijay Oberoi	Retd. Lt. General	
17	28/04/2017	Brig retd. Govind Singh Sisodia	Retd. Brig.	Oversaw the terrorist attack on the hotel 'Taj' in Mumbai
18	19/05/2017	Mr Neevan Chawala former Chief El. Comm.India	Former Chief El. Comm. India	
19	2/6/2017	Dr Rajkumar Vishvacharya	Renowned Motivational Speaker and Spritualist	'How to be what you can be'

“Sri Sri Ravishankar Ji ” Convocation

Mr Arun Shourie - Guru Series Lecture

Graduation ceremony for MBA Students addressed by Sandeep Bakshi CEO of ICICI Prudential

Mr. Howarth Bouis - Guru Series Lecture

Table 1.3 Conferences /Workshops organized in the University in the Academic Year 2016-17

<u>Sr.No.</u>	<u>Date of the Event</u>	<u>Theme</u>
1	April 22-23, 2016	National Conference cum Workshop - exploration of Himalayan Natural Wealth for Drug Discovery (DST Agilant Gentech sponsored) – Shoolini University
2	July 11-18, 2016	Workshop cum Training Program on Technical Skill Development 2016
3	Feb 1, 2016	International Dialogue on Himalayan Ecology organized by Dialogue Highway Chandigarh and Shoolini University
4	March 16, 2017	Workshop on “Intellectual Property Rights (IPR) and Geographical Indications (GI)” .
5	on 2 nd and 3 rd March, 2017	2 nd National Conference on “New Horizons in Human Health and Nutrition” Organized by School of Bioengineering and food technology faculty of applied sciences and biotechnology.

6	23-24 th Feb, 2017	National Conference on Environment and Natural Resource Management, by SERB, DST; Dept. of Tourism and aviation, Shimla; Center of research on Himalayan sustainability and development, Shoolini University; HIM Science Congress 7 Association, HP; held at Shoolini University from
7	24 th October, 2016	Faculty Development Program (FDP) on “Building a World Class University”, Shoolini University, Solan,.
8	13 th September, 2017	Workshop on Presentation Skills, Shoolini University,
9	20 Jan ,2017	FDP on ‘Mentoring Skills’ by Mr. Sanjay Sharma at Shoolini University Solan
10	23-25 May ,2017	National Seminar cum Workshop on Advanced Scientific techniques –Educational tour of MSc and BSc students to CIL,, PU for training on SEM and TEM
11	Jan ,2017	CMOS VLSI Design

IN addition to the above events, **SPRINT** (Skills Progression through Rapid Intensive and Innovative Training) workshops are also organized regularly on various themes for students of all streams.

SPRINT was initiated to provide accelerated learning to rural and semi-urban youth – with the intent of raising their employable threshold.

This program was developed as a blend of Soft and Technical Skills and patterned on the lines of Stanford University’s Mini MBA. SPRINT has been phenomenally successful in creating employment as well as personal and professional growth of students and has become one of our biggest strengths. Started as a pilot project for MBA students, the program has now been expanded to all Schools across the University. SPRINT has the potential to be extended beyond the campus – both as an extension and consultancy.

The success story of this program is a feather in the University’s cap. The pioneering program adopts a multi-pronged approach of adding, supplementing, updating, and reinforcing formal learning that students have acquired in their regular courses.

Table 1.4 SPRINT Workshops organized during the Academic year 2016-17

Sr No.	Theme	Date
1	Sprint workshop for MBA Quad 3 on Selling Skills	5 th and 6 th Jan , 2016
2	Sprint workshop for B Tech Student on Pre Placement	8 th Feb, 2016
3	Sprint workshop for MBA II on Pre Placement	15 th Feb, 2016
4	Sprint workshop for SILB Student on Preplacement	2 nd May, 2016
5	Sprint workshop for Anand Students on Leadershiip	16 th May, 2016
6	Sprint workshop for B Com Students on Confidence Building	4 th may, 2016
7	Sprint workshop for Science, Pharma, Biotech and Foodtech 8 th Sem student on Grooming	12 th and 13 th May, 2016
8	Sprint workshop for MBA Quad 4 on Getting Ready for Internship	16 th May, 2016
9	Sprint workshop for Pharmacy and Science on Refreshher	3 , 4 th June, 2016
10	Sprint workshop for MBA Quad 1on Induction	16, 17, 18, 19 th August, 2016
11	Sprint workshop for MBA 2 nd Year on Business Plan	22, 23, 24, 26 th August, 2016
12	Sprint workshop for Engineer on Pre Placement	19 to 23 rd August, 2016
13	Sprint workshop for Pharmacy on Improving Communication	26 to 30 th August, 2016
14	Sprint workshop for MBA I on Transformation	7 to 12 th November, 2016
15	Sprint workshop for MBA II on Leadership	15 to 19 th November, 2016
16	Sprint workshop for UG All on Persona Enhancement	10 and 11 th Dec, 2016
17	Sprint workshop for Engineering 5 th Sem on Building Confidence	12 th Dec, 2016
18	Sprint workshop for Engineering 3 rd Sem on Building Confidence	12 th Dec, 2016
19	Sprint workshop for BT&FT 3 rd & 8 th Sem on Communication Skills	26 th Dec, 2016
20	Sprint workshop for MBA I on Selling Skills	31 st Jan, 2017
21	Sprint workshop for MBA II on Pre Placement	6 to 10 th Feb, 2017
22	Sprint workshop for Engineering 3 rd Sem on	1 st march, 2017

	Internship	
23	Sprint workshop for SILB on Self-Development	28 th march, 2017
24	Sprint workshop for MSc on Improving Communication	6 th April, 2017
25	Sprint workshop for Engineering 4 th Sem on Self-Development	10 th April, 2017
26	Sprint workshop for Biotechnology on Improving Communication	25 th April, 2017
27	Sprint workshop for B Com II & III year on Communication & Confidence Building	26 th April, 2017
28	Sprint workshop for MBA Quad 4 on Internship	8 th may, 2017
29	Sprint workshop for Biotechnology 6 th Sem on Improving Communication	16 th may, 2017
30	Sprint workshop for Biotechnology 6 th Sem on Improving Communication	17 th may, 2017
31	Sprint workshop for All UG on Communication & Confidence Building	18 th may, 2017

DST INSPIRE SCIENCE CAMP

The University takes great pride in spurring scientific creativity and innovation in school children. On behalf of the Department of Science and Technology, Government of India, the University conducts INSPIRE program for promoting interest in basic science and approximately 6500 school students have been benefitted till now.

Twenty seven INSPIRE Science Internship Programs conducted till November, 2016 out of which three were conducted in 2016 -17

2.14 Significant Activities and contributions made by IQAC

The following significant activities and contributions were made by University as well as Institutional IQAC in the year 2016-17:

IQAC was involved in detailed Strategic Annual Planning before the commencement of academic year 2016-17. Following areas/aspects were included in the planning:

(a) Academic Planning and Strategy

- i. Academic & Teaching-Learning Strategies
- ii. Faculty Development Programmes
- iii. Annual Calendars-University & School level.

(b) Resource Planning

- i. Infrastructure,
- ii. Human Resource – Teaching & Non-Teaching Staff Planning including Visiting Faculty
- iii. Lab /Equipment/ Software requirements.
- iv. Learning Resources Planning
- v. Teaching aids requirements.
- vi. Budgeting

(c) Research & Innovation Planning

- i. Faculty Annual Target
- ii. Research Projects. Collaborations and Patent targets
- iii. Research Guidance
- iv. Seminar, Workshops & Conferences
- v. Club Committee Activities

(d) Industry Interaction and Placement Planning

- i. Planning of Events, Corporate Meetings, etc.
- ii. Internship Planning
- iii. Pre Placement Talks
- iv. Placement Grooming Activities
- v. Placement Calendar

(e) Internationalisation Planning

- i. Tie-ups
- ii. Collaborations
- iii. Faculty/Student Exchange Programmes
- iv. Study Abroad Programme/Scholarship for students

(f) Other Activities

- i. To review the suitability, adequacy and effectiveness of the University Quality Management Systems.
- ii. To assess opportunities for improvement.
- iii. Examine the need for changes in policies and objectives.
- iv. Results of the audits, analysis, corrective actions taken and gaps identified in the feedback from various stakeholders.

- v. Recommendations for improvement in systems and processes.

(g) Student Development Activities Planning

- i. Involvement of students through in-house projects pertaining to refinement of academic process, Environment safety, energy saving and Food safety and social projects .
- ii. Monitoring and Review of Teaching – learning process through University intranet (myshoolini) and by taking periodic reports on various processes like:
 - Tracking of classes held
 - Monitoring of Academic Planning Worksheets.
 - Implementation of Time Table
 - Conduct of event as per the calendar approved by the Academic Council.
 - Overview of the conduct of classes as per the plan
 - The implementation of Outcome Based Education.
 - Ranking of Institutions and Accreditation.
- vii. The IQAC at University level ensured that all the Institutions have defined their Graduate Attributes in alignment with the Attributes defined at the University Level.
- viii. The University IQAC monitored and carried out SWOC analysis on the self-assessment through in house developed tool based on NAAC criteria carried out by the Institutions. The analysis was shared with all the institutions and was asked to set targets for improvement on the areas identifies as opportunities for improvement.

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year *

Table 1.5 Plan of Action by IQAC

<u>Plan of Action</u>	<u>Achievements</u>
1. Online examinations evaluation of answer sheets 2. Publication of quarterly newsletter 3. All courses on eUniv 4. In house Myshoolini app to be developed and deployed 5. Strengthening Alumni Association and interactions 6. Open electives and complete implementation of CBCS curriculum 7. Switch over to 10 point grading scale of evaluation 8. Technology supported teaching with blended courses	Fully functional in School of Business Management and Liberal Arts, to be initiated in other school Started Started Launched in August 2017 Alumni talks introduced in Sprint and during placement season Started Done All courses taught are available on eUniv

** Attach the Academic Calendar of the year as Annexure. (ANNEXURE I)*

2.16 Whether the AQAR was placed in statutory body

Yes

☒

No

☐

Management

☐

Syndicate

☐

Any other body

☒

Provide the details of the action taken

**As per the plan of action decided at the beginning of year action as mentioned above under point no. 2.15 was taken.

Part – B
Criterion – I

1. Curricular Aspects

1.1 Details about Academic Programmes

Level of the Programme	Number of existing Programmes	Number of programmes added during the year	Number of self-financing programmes	Number of value added / Career Oriented programmes
PhD	10	0	10	10
PG	22(19PG+3 M Phil)	0	22	22
UG	28	2(BA Eng, BAJMC)	28	28
PG Diploma	0	0		
Advanced Diploma	0	0		
Diploma	0			
Certificate				
Others				
Total	60	2	60	60

Interdisciplinary	The syllabus is reviewed at regular intervals as shown under point no 2.9 of this report thus most of the programmes taught are interdisciplinary and innovative in nature
Innovative	

- 1.2** (i) Flexibility of the Curriculum: **Choice Based Credit System with Open electives**
(ii) Pattern of programmes:

Pattern	Number of programmes
Semester	59
Trimester	Nil
Annual	Nil

Quadmester	01 (MBA)
------------	-----------

1.3 Feedback from stakeholders* Alumni ☒ Parents ☒ Employers ☒ Students ☒
(On all aspects)

Mode of feedback : Online ☒ Manual ☒ Co-operating schools (for PEI) ☐

**Please provide an analysis of the feedback in the Annexure
(ANNEXURE II feedback analysis * Student Feedback)*

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

Curriculum of programs was modified keeping in mind the industry requirements and inputs that came from Academic and Research experts. Course syllabi were revised accordingly.

CBCS (Choice Based Credit System) curriculum got implemented both at syllabi and evaluation level.

1.5 Any new Department/Centre introduced during the year. If yes, give details. NO

Criterion – II

2. Teaching, Learning and Evaluation

2.1 Total No. of permanent faculty	Total	Asst. Professors	Associate Professors	Professors	Others
	183	120	19	29	15

** Associate Professors /Professors holding Dean /Directorship in the university

2.2 No. of permanent faculty with Ph.D.

76

2.3 No. of Faculty Positions Recruited (R) and Vacant (V) during the year

Asst. Professors		Associate Professors		Professors		Others		Total	
R	V	R	V	R	V	R	V	R	V
27	0	1	25	9	0	2	0	39	25

46

29

0

2.5 Faculty participation in conferences and symposia:

No. of Faculty	International level	National level	State level
Attended Seminars/	18	66	13
Presented papers	5	22	0
Resource Persons	0	7	1

Table 2.1 Faculty Participation in Conferences and Symposia

S.no	Faculty member	Details of the conference and paper
1	Dr. Neeraj Mahindroo	Workshop on “Intellectual Property Rights (IPR) and Geographical Indications (GI)” Held on March 16, 2017 at Shoolini University, Solan (HP)-173229.
		Annual Convention of APTI Punjab State branch and national conference on interdisciplinary trends in pharmaceutical research, April 2017
		Medicinal Chemistry and Drug Discovery & Development (MCADDI), American Chemical Society, Biocon Academy, Bangalore, 14-18 th Feb 2017
		Resource person, ASSOCHAM Conference on “APIs: Reducing dependence on imports” held in Baddi, HP on 28 July, 2016.
2	Dr. Rohit Goyal	8 th National IPA Students Congress, ISF College of Pharmacy, Moga, 3-4 th Sept. 2016
		Workshop on “Intellectual Property Rights (IPR) and Geographical Indications (GI)” Held on March 16, 2017 at Shoolini University, Solan (HP)-173229.
		APSA 2016 Sydney Australia
		2 nd National Conference on New Horizon in Human Health & Nutrition, 2-3, March, 2017.
		International Conference on Bioinformatics and Proteomics, April, 2017
3	Dr. Raman Preet Singh	National conference on interdisciplinary trends in pharmaceutical research, Mohali
		Workshop on Aiming for Excellence: Pathways to Institutional Advancement through Research, New Delhi
		Resource person, Continuing pharmacy education programme, Shimla
		ASSOCHAM Conference on “APIs: Reducing dependence on imports” held in Baddi, HP on 28 July, 2016.
4	Dr. Deepak N. Kapoor	Presented poster in 8 th National IPA Students Congress, ISF College of Pharmacy, Moga, 3-4 th Sept. 2016
		Workshop on “Intellectual Property Rights (IPR) and Geographical Indications (GI)” Held on March 16, 2017 at Shoolini University, Solan (HP)-173229.
		MHRD-GIAN course on Novel and Nanostructured Drug Delivery for Diverse Biomedical Applications, Panjab University, Chandigarh, 24-28 th Oct 2016.
		Medicinal Chemistry and Drug Discovery & Development (MCADDI), American Chemical Society, Biocon Academy, Bangalore, 14-18 th Feb 2017
		Workshop on “Intellectual Property Rights (IPR) and

5	Dr. Poonam Negi	Geographical Indications (GI)” Held on March 16, 2017 at Shoolini University, Solan (HP)-173229.
		MHRD-GIAN course on Novel and Nanostructured Drug Delivery for Diverse Biomedical Applications, Panjab University, Chandigarh, 24-28 th Oct 2016.
6	Navneet Kumar Upadhyay	2 nd National Conference on “New Horizons in Human Health and Nutrition” Organized by School of Bioengineering and food technology faculty of applied sciences and biotechnology, on 2 nd and 3 rd March, 2017 at Shoolini University, Solan (HP)-173229.
		Workshop on “Intellectual Property Rights (IPR) and Geographical Indications (GI)” Held on March 16, 2017 at Shoolini University, Solan (HP)-173229.
		5 th Annual International Conference on “ Bioinformatics and Proteomics Driven Biomarker Developments” Sponsored by: Indian Council of Medical Research (ICMR), New Delhi held at Chitkara College of Pharmacy, Chitkara University, Rajgharh, Chandigarh on 7 th and 8 th April, 2017.
		8 th National IPA Students Congress, ISF College of Pharmacy, Moga, 3-4 th Sept. 2016
7	Swati Pundir	ASSOCHAM Conference on “APIs: Reducing dependence on imports” held in Baddi, HP on 28 July, 2016.
		“Continuing pharmacy education programme” organised by HP state pharmacy council held on 28 th March, 2017.
8	Gaurav Sharma	Participated in one day workshop on “Intellectual property rights (IPR) and geographical indications (GI)” at Shoolini university held on 16 th March, 2017.
		Intellectual Property Rights (IPR) and Geographical Indications (GI) held in March 2017.
9	Hemlata Kaurav	Intellectual Property Rights (IPR) and Geographical Indications (GI) held in March 2017.
		ASSOCHAM conference on “APIs: Reducing Dependence on Imports” held on 28 July 2016
10	Devika Rana	Workshop on Intellectual property right(IPR) and Geographical Indications (GI), March 2017
		ASSOCHAM conference on “APIs: Reducing Dependence on Imports” held on 28 July 2016
		“Continuing pharmacy education programme” organised by HP state pharmacy council held on 28 th March, 2017.
11	Aditi Sharma	Presented paper in National Conference on Green Nanotechnology Estrogenic activity and Bone remodeling alleviating

		Osteoporosis: Pinus plant species from Indian Himalayan Region.
12	Charul Rathore	Presented paper in National Conference on Green Nanotechnology Title: Delivery of colon targeted ketoprofen microsponges through erosion based matrix tablet: Formulation and Evaluation
13	Tanurajvir Kaur	8th National IPA Students Congress, ISF College of Pharmacy, Moga, 3-4th Sept. 2016 National Institute of Animal Welfare, Ministry of Environment, Forests and Climate Change, Government of India. Ballabhgarh, Faridabad, 5th-16th September 2016.
14	Chandresh Kumari	National XIII Agricultural Science Congress at University of Agricultural Sciences, Bengaluru. (21-24Feb, 2017)
15	Ashwani Kumar	New Horizons in Human Health and Nutrition-2017, 2-3 March, 2017, Shoolini University
16	Reena V. Saini	Bioactive compounds from <i>Datura stramonium</i> enhance human immune cells mediated cytotoxicity towards cancer cells. Annual Conference of Indian Immunology Society Conference: IMMUNOCON-2016” held at GITAM University, Visakhapatnam, 16th-18th Feb, 2017. National Conference on Environment and Natural Resource Management, by SERB, DST; Dept. of Tourism and aviation, Shimla; Center of research on Himalayan sustainability and development, Shoolini University; HIM Science Congress Association, HP; held at Shoolini University from 23-24 th Feb, 2017
17	Amanpreet Kaur Virk, Chandresh Kumari, Tanvi Gupta/Saurabh Kulshrestha	XIII Agricultural Science Congress organized by University of Agricultural Sciences, Bengaluru and National Academy of Agricultural Sciences New Delhi. 21-24 February, 2017
18	Amanpreet Kaur Virk, Chandresh Kumari	Workshop on Intellectual Property Rights (IPR) and Geographical Indications (GI) organized by Shoolini University, Solan. 16 March, 2017
19	Amanpreet Kaur Virk, Chandresh Kumari, Abhishek Bhardwaj	National seminar cum workshop on Advanced Scientific Techniques organized by Shoolini University, Solan. 23-25 May, 2017
20	Abhishek Bhardwaj/Saurabh	“VIROCON 2017”- 26th National conference of Indian Virological Society organized by NITTE University,

	Kulshrestha	Mangaluru 7-9 December, 2017
21	Astha Tripathi	Workshop on IPR and Geographical indications on 9.03.2017 organized by JP University, Wagnaghat
22	Saurabh Kulshrestha	Resource Person for training program to school lecturers , organized by SCERT, Solan 2 nd Himachal Science Congress, Nov 20-21, 2017
23	Anuradha Sourirajan/ Rajni Vaid	International level: HarGobind Khorana Memorial Symposium, Chandigarh, Dec 3-5, 2017/ Poster presentation Title: Identification of substrates of budding yeast PLK, Cdc5 during pachytene exit in meiosis
24	Kamal Dev/ Sonum Sharma	HarGobind Khorana Memorial Symposium, Chandigarh, Dec 3-5, 2017 /Poster presentation Title: <i>S. cerevisiae</i> Emc4 and Tan1 plays a crucial role in eIF2B mediated translation regulation and survival under stress conditions
25	Kamal Dev	Delegate in Biocon Academy conference on Medicinal chemistry and drug discovery & development, Feb 14-18, 2017 HIMCOST Science Congress, Nov 20-21, 2017
26	Neha Chauhan, Umar Farooq, Azhar Khan	Therapeutic efficacy of western Himalayan medicinal plants against human pathogens, abstract presented at the Second National Conference on ‘New Horizons in Human Health and Nutrition’ organized by School of Bioengineering and Food Technology Shoolini University, Solan, 2-3 rd March-2017
27	Neha Chauhan, Meenttu Prakash, Umar Farooq, Azhar Khan	The Antibacterial effect of a few medicinal plants found in the western Himalayas of Himachal Pradesh, Abstract presented at National Seminar on “ Innovations & Challenges in Basic & Applied Sciences” organized by Maharaja Agrasen University, Baddi Solan, 4 th March-2017 and Won best poster presentation
28	Neha Chauhan, Azhar Khan and Umar Farooq	“Combined Efficacy of Antibiotics in Synergism to Medicinal Plants against MDR <i>Salmonella typhi</i> Strains”. 2 nd Himachal Pradesh Science Congress organized by HP council for Science, Technology and Environment (HIMCOSTE) at Shimla under the theme “Science and Technology for Sustainable Livelihood in Indian Himalayan Region”, 20-21 November, 2017
29	Neha Chauhan, Pradeep Kumar, Umar Farooq and Azhar Khan	“Efficacy of Medicinal Plants against Biofilm Forming Bacteria; Playing Important Role in Multidrug Resistance” (Accepted). Will be held on February 2018. National Conference organized by Shoolini University Solan, HP in collaboration with Society for Conservation and Resource Development of Medicinal Plants (SMP), New Delhi under the theme “Current Status of Preventing Extinction and Sustainable Utilization of Endangered Himalayan

		Medicinal Plants”.

2.6 Innovative processes adopted by the institution in Teaching and Learning:

The University believes in continuous quality improvement. The following innovative measures are taken to cater to the changing requirements of the students and improving teaching methodology:

All lectures are delivered through power point from 2013, and since then, almost all the lectures and supplementary study material is being made available online to the students through the eUniv. The University is gradually moving towards 100 percent digitized teaching and for providing online supplements to every course that is being offered in the campus.

Emphasis has also been laid in the past few years to provide Lecture Schedules at the beginning of the semester, to incorporate more case studies, projects, workshops, seminars, video conferencing and group discussions in the curricula to enhance the skills of the students.

University is committed to excellence in all aspects of learning, transmission of knowledge and developing skills and most importantly, to encourage free thinking of students to address complex challenges. In order to do this, the University focuses on the following:

1. Online support for teaching and evaluation is being used. eUniv; Shoolini's online academic portal based on Moodle is fully operational.
2. PPT, Videos, Research papers, EBSCO database are made available online.
3. Fully operational online examination system that incorporates - MCQ, short and descriptive questions, quiz, assignment etc.
4. Online discussion forums started to have anytime anywhere dialogue between faculty members and students.
5. Complete and incognito student course feedback system introduced.
6. Yogananda Knowledge Center (YKC), the Central Library is made operational round the clock.
7. Students can use the practical labs round the clock.
8. Expert lecture sessions by the name of "Guru Series" are operational.
9. Faculty Development Program by "Managing partner- Proliferator Advisory & Consulting" firm was organized.
10. Preparation of daily lecture taken report and monitoring by Pro VC/Dean-Academics/Associate Dean Academics.
11. Biometric attendance system for students in hostels introduced.
12. In situ monitoring of students during their internships and research projects in industry.
13. 5 professional clubs for co-curricular and extra-curricular activities for students are in place.
14. MOOCS courses started under SWAYAM portal.
15. Several academic, research and industry MOU's signed with foreign Universities and corporate firms of high repute.
16. Each course has knowledge outcomes and skill outcomes which are in line with the objectives of the concerned program.
17. Each course is broken down into separate lecture schedules with clear-cut learning outcomes. These learning outcomes collectively make up to the outcome of a particular course. ANNEXURE III

18. All the courses in a particular program in a particular semester are compiled in the form of a booklet with syllabus, lecture schedules, practical details, problem sets and necessary discussion caselets.
19. Enhancing employability through skill enhancement, outcome driven curriculum and modern pedagogy.
20. Shoolini's online learning initiative (eUniv) has innovated continuous learning delivery
21. For functional and soft skills, the SPRINT program has been started as a credit course for MBA students and is being rolled out to other Schools. SPRINT has the potential to be a role model for functional and soft skills training.
22. University admits annually 20-30 employees of Anand Automotive Pvt. Ltd. in B. Tech. (Automobile Engineering) under lateral entry as per the curriculum designed by the company. Such joint industry programs are role models for Academia-Industry alliances
23. Physical Training and Meditation forms one credit hour course in B.Tech. From 2015-16 it is introduced as an elective course under CBCS for enhancement of ethical values and physical and mental fitness of the students.
24. Personal development of students through different modules, such as, tutorials, mentorship, computer literacy, meditation, communication and language proficiency etc.
25. Progressively shift to online examination and evaluation.
26. Faculty development programs
27. Industry linkages and collaborations.
28. Strengthening of mentorship program.
29. Outer world exposure to faculty and students.

The quality of teaching and learning is continuously assessed on the basis of feedback from students. School level Academic Committees and Board of Studies are other means to ensure the accountability of the Schools / Faculty.

2.7 Total No. of actual teaching days during this academic year

186 days

2.8 Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

All in Practice other than open book

A strong room having standalone computers were provided to the Controller of Examinations (COE), in which no memory devices are permitted. Three papers are set, out of which, one

was selected by the COE. Print outs of the selected question paper are then printed in the same room.

COE has a centralized 'Control Room' to keep sealed question papers, answer books and exam related material to maintain confidentiality. Examination halls are prepared in advance and seating plans are prominently displayed.

Answer books are dispatched by the school superintendent (Examination) to the COE on a day to day basis. These are processed for evaluation. The compilation of the result is examined by the concerned faculty Dean.

Following are the major initiatives taken during the academic year 2016-17

1. Online Moodle enabled tests comprising MCQ, short answer and descriptive answer type questions have been introduced in select course.
2. Tests are taken in 'safe browser' mode so that no unfair means can take place.
3. Online assignments, quizzes and viva voce introduced in few courses.
4. Open book exams have been experimented.
5. All evaluated answer sheets are shown to students for any redressal if at all.
6. Hybrid pedagogy of online teaching through LMS blended with contact classes is in place for all courses across the university.
7. More and more application based question papers are encouraged.
8. More and more focus given to student participation in class room, presentation, viva voce etc.
9. Encryption and decryption of roll no done to avoid student identity.
10. Double valuation check introduced to ensure that no question is left out and the total is correct.
11. Centralized evaluation system is already in place.
12. Result is declared within 1-2 weeks.
13. Plans to introduce barcoding system is in place. Very shortly it will be introduced.

2.9 No. of faculty members involved in curriculum Restructuring/revision/syllabus development as member of Board of Study/Faculty/Curriculum Development workshop

Almost 90% of the faculty members

Every faculty member of the University is involved directly or indirectly in the curriculum design and development process which is detailed below:

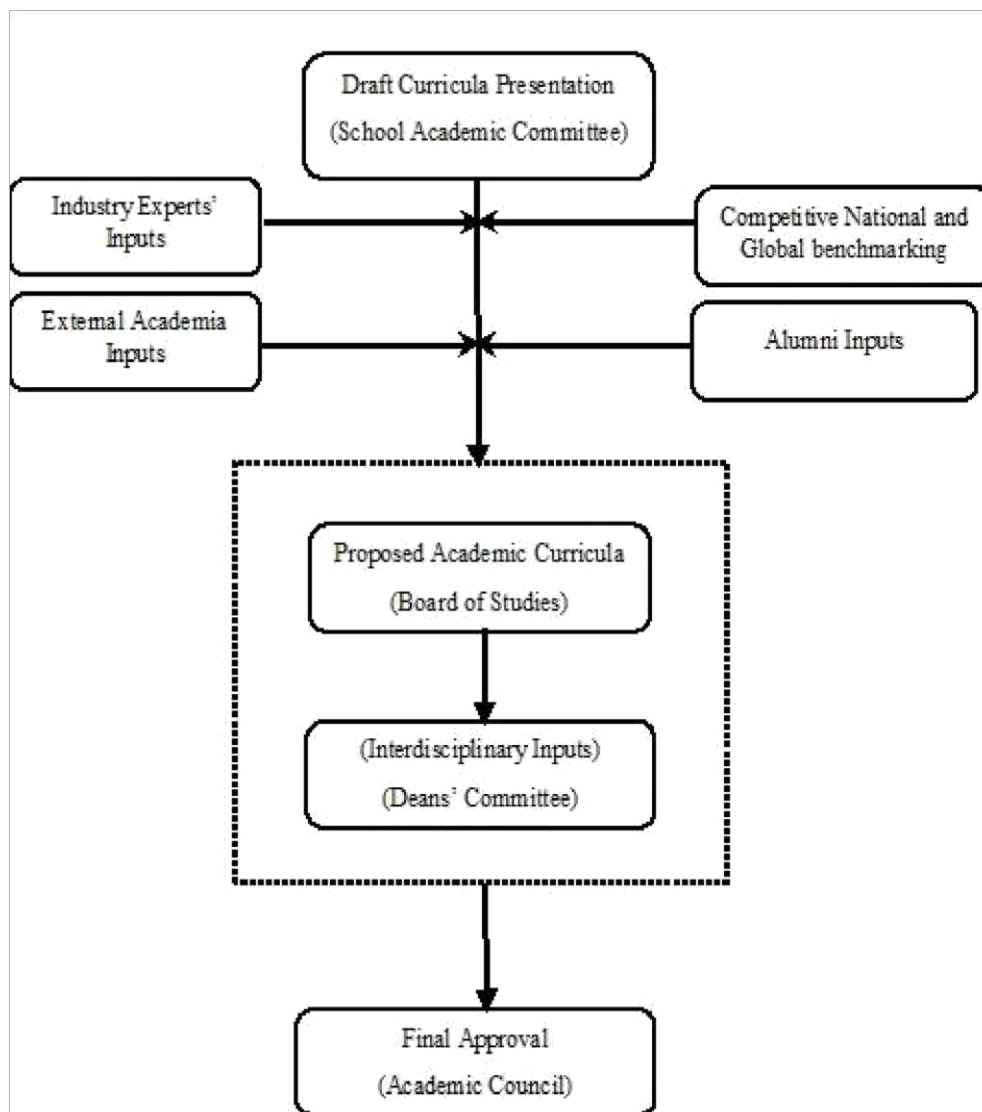

Curriculum Design and Development Process

The current curriculum design involves a two-step process:

Step-1: The draft curricula of the different Schools prepared by respective committees incorporate the views and suggestions of industry, alumni, prominent external academicians, and potential employers. This is then competitively benchmarked nationally and globally.

Step-2: The modified curriculum is then presented before the Board of Studies (BoS), constituted for each of the Schools. The BoS is headed by the respective Dean and comprises of faculty, industry experts and noted academics as members. The concerned BoS then recommends for approval, to the Academic Council, the detailed curriculum - syllabi with skill and learning outcomes, pedagogy, scheme of examination, lecture schedules and evaluation mechanism.

The process flow chart is given in figure 1.1 in the following page.

2.10 Average percentage of attendance of students

76%

2.11 Course/Programme wise distribution of pass percentage:

Table showing final degrees awarded by the University for the Academic year 2016-17, semester wise result is uploaded on the University's website

Table 2.2 Final Degrees Awarded in the Academic Year 2016 -17

Title of the Program		Total no. of students appeared	Division	%age
B Pharma	B.Pharm	47	<p>Shoolini University follows relative grading system in which based on the performance, each student is awarded letter grades O, A+, A, B+, B,C,P and F by the concern teacher (which corresponds to 10,9,8,7,6,5,4,0 grade points respectively). The relative grading is based on the distribution of marks obtained by all students.</p> <p>Grade points in a course multiplied by credit constitutes the credits points of the course. Cumulative credit points in all the courses divided by total credit hours of the courses becomes the grade point average in a semester i.e GPA.</p> <p>The cumulative credits points average in all the courses from first semester till the last semester divided by cumulative credits hours in all the courses is the overall grade points average i.e OGPA.</p> <p>The students obtaining F grades is considered, failed and is required to Re-appear.</p>	85.1

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

The Institutional IQAC members along with Deans and HOS monitor the following activities of Teaching-Learning processes:

- Students class attendance on Monthly & Semester basis.
- Time-Tabling activities to be planned and uploaded in the intranet for the information of students & all stakeholders.
- Results of the students, programme wise, course wise.
- Results shared with parents
- Students Feedback twice a semester.

The following contributions are evident through the monitoring of the above processes by IQAC:

- i. The gaps are identified in the conduct of process.
- ii. The corrective and preventive actions are taken immediately.
- iii. The Progress on implementation of the action plans according to the target dates are monitored through IQAC.
- iv. Monitoring of class attendance has enabled the Institutions in sending timely warning of low attendance to students and their parent/guardians.
- v. Every month and mid semester, the IQAC analyses the classes conducted vs. planned through a prescribed format given by the University for each Programme and course. This has helped the HOS/faculty in knowing the gaps in the classes conducted and rectification measures are taken immediately.
- vi. Through the result analysis, weak students are identified who are then mentored/ counselled and are given extra classes, if required.
- vii. Analysis of feedback on faculty from students enables to identify the faculty with low score who are then suitably counselled and guided.

All the above activities are discussed during the IQAC meetings. After the review University monitors and evaluates the conduct of above processes through Academics Office who gives the report to the Management and follows up with the Institution till the points are closed based on the corrective/preventive action taken by the Institutions.

2.13 Initiatives undertaken towards faculty development

The University is proactive in developing its faculty members in order to meet the requirements of a modern curriculum through various Faculty Development Programs, training sessions, workshops, conferences, and visits to other institutes and frequent interactions with the experts from various fields of specialization.

In view of the vision and aspirations of the University, the following benchmarks in terms of faculty development are planned:

- i. Enhance institutional support for promotion of qualification and international exposure.
- ii. Increase the quantum and extend geographical outreach of the faculty exchange program.
- iii. Increase the number of MoU's with international universities focusing on the United States, European Union and East Asia.
- iv. Increase cooperation and provide faculty to neighbouring East Asian countries.
- v. Broad base and enhance faculty-industry interaction with the aim to translate this in the form of consultancies and sponsored research.

Professional development approaches of the University are illustrated below:

Professional Development Approaches

Formal Faculty development training program was also initiated in the Academic year 2016-17.

The program works under the aegis of IMPACT (Integrated Management Program for Professional Advancement and Career Transformation) and is dedicated to analyse the training needs, design and develop the content, deliver and evaluate the program. This Program enables new faculty to acclimatize with the university's processes, people, while for existing faculty to continually evolve them to address the developments which are taking place globally in terms of teaching pedagogy and research. Below are the details of the programmes organized during 2016-17:

<i>Faculty / Staff Development Programmes</i>	<i>Number of faculty benefitted</i>
Refresher courses	--
UGC – Faculty Improvement Programme	---
HRD programmes	---
Orientation programmes	37
Faculty exchange programme	4
Staff training conducted by the university	104
Staff training conducted by other institutions	18
Summer / Winter schools, Workshops, etc.	27
Others	02

Table 2.3 Faculty Development Programmes for the Academic Year 2016 -17

S.no	School	Date	Title /Theme of the Programme	Eminent Speakers	No. of faculty Participated
1	School of Bioengineering	16 th September to 06 th October, 2016	Attended the National Training Programme on R & D Strategies and Interventions for effective Agribusiness and Entrepreneurship Development in Dairy and Food Sector Organised by ICAR-NDRI, Karnal from 16 th September to 06 th October, 2016.	Dr A.K Srivastava	18

2	School of Mechanical and Civil Engineering	28 th April, 2017	Awareness programme cum workshop on Renewable Energy	<p>Mr. Kanwar Bhanu Pratap Singh, (CEO) Himurja</p> <p>Mr. Vineet Sood (Executive Engineer) Himurja</p> <p>Mr. Harish Sharma (Project Officer) Himurja</p> <p>Sh. Parminder Singh Sidhu (CST Manufacturer, Ludhiana)</p> <p>Mr. Jashpal Singh Sodhi (Solar Consultant, Mandi HP)</p>	21
3	School of Biological and Environment Sciences	23-25 May, 2017	National Seminar cum Workshop on Advanced Scientific Techniques (NSWAST-2017), 23-25 May, 2017, Shoolini University, Solan		3
		28 th March, 2017	Faculty training on video lectures using MS- Office	Mr. Randhir Bhandari	09
		13 th April, 2017	Workshop cum training on Chemaxon	Mr. Surojit of Advent Informatics,	13

4	School of Electronic and Computer Science Engg			Pune	
		26 th April, 2017	Workshop cum training on IT and Carrier Awareness	Mr. Gagan of Solitare Infosys Pvt. Ltd.	20
		16 th May, 2017	Workshop cum training on Digital Marketing and Awareness	Mr. Sumit Gupta of Securenet Technologies, Chandigarh	19
		June 2017	Workshop on Positive thinking	Mr. Barinder Singh	20
5	School of Pharmacy	24-28 th Oct 2016	MHRD-GIAN course on Novel and Nanostructured Drug Delivery for Diverse Biomedical Applications, Panjab University, Chandigarh	Prof. Mandip Sachdeva, Florida A & M Univerdity, USA	2
		14-18 th Feb 2017	Medicinal Chemistry and Drug Discovery & Development (MCADDI), American Chemical Society, Biocon Academy, Bangalore	Dr. Mukul Jain, Sr. Vice President, Zydus Research Centre Prof. Thomas Prisinzano, University of Kansas, USA Nicholas A. Meanwell, Bristol Myers Squibb, CT, USA	2
		5th-16th September 2016	National Institute of Animal Welfare, Ministry of Enivronment, Forests and Climate Change, Government of India. Ballabhgarh, Faridabad	---	1
		28 th March, 2017	Continuing pharmacy education programme"	---	2

			organised by HP state pharmacy council held on		
6	Shoolini University	9 – 10 May & 22 -23 August	Orientation Program for new joinee	----	37
7	Faculty Exchange Program		Three faculty members went for International Faculty Exchange program – Dr. Neeraj Gupta (Assistant Professor) went to Chinese Academy of Sciences , Mr. Akshay Gupta – Assistant Professor _ Collaborative Ph.D program from Delhi and Queensland’s University of Australia , Dr. Anshul Sharma –Assistant Professor _ Gachon University South Korea, Dr. Satyender Singh Assistant Professor – IIT Bombay	-----	4

Day 2 - Faculty Induction

2.14 Details of Administrative and Technical staff

Category	Number of Permanent Employees	Number of Vacant Positions	Number of permanent positions filled during the Year	Number of positions filled temporarily
Administrative Staff	111	29	11	0
Technical Staff	55	27	8	0

Criterion – III

3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

IQAC has taken proactive initiative to sensitize and promote research climate in the Institution. SUMMIT Research Program with generous funding from University in Faculty of Applied Sciences & Biotechnology is one such initiative where research program was initiated at undergraduate level. Students with inclination for research and out-of-box thinking have been selected from across the country and have been provided a platform for doing research on contemporary areas of their choice. The rotation through different labs in university followed by selection of the mentor gave students freedom to work on their area of interest. To ensure holistic development of the students, the opportunities were created for roundtable discussions with best scientific minds in the country and visits to labs and industry besides focus training on soft skills. This pilot program will be expanded to other Faculties also and students are being exposed to interdisciplinary areas.

University setup Shoolini University Research Fund to provide startup grants and for purchase of high-end equipment for central facilities. To ensure the maximum utilization of the available resources and equipment, university is promoting the culture of sharing and central facilities to provide access to equipment have been created. These facilities will work 24/7 and open lab culture is a major initiative of IQAC, where any student/faculty member can utilize the facilities in any lab after getting the requisite training. The proper maintenance of the equipment and decreasing down time are other major initiative of the IQAC.

IQAC has taken a major initiative to ensure that Intellectual Property generated by the researchers of the University is protected and commercialized. University has filed over 75 patents in 2016-2017 and three of them were transferred to industry for commercialization. A culture of innovation is being promoted right from under graduate level to faculty members.

University has conducted seminars and workshops on scientific writing and project writing. Dr. Uday Maitra, Senior Professor from IISC Bangalore and Prof. Stevenson from University of Arkansas conducted two such programs to guide faculty and students on research lab setup and funding opportunities. Writing Seminar, a course to enhance the scientific writing skill, is now part of the curriculum for all programs in the University.

IQAC has also taken initiatives to ensure scientific integrity of the researchers. Faculty and students are made aware from time to time of various issues regarding scientific misconduct and are guided by senior faculty to ensure the quality and integrity of the research data generated from the university. University allows its researchers to publish their work only in peer-reviewed journals listed in Web of Science or Scopus to ensure the quality and improve the scientific output. University has setup a reward for researchers publishing in high impact journals. The research output carries major weightage in the annual appraisal of the faculty members.

The quality of research output of University is at par with any top academic institute of the country. The field normalized citation indices show that university research publications are of much higher quality than the world average. Similarly, about 40% of the publications from university has at least one foreign collaboration. IQAC has taken further initiatives to further improve the quality of the research by promoting culture of intra and inter institutional collaborations. Several researchers and academics also visited various institutes and universities in India and abroad under this initiative of IQAC.

Lab safety, an area usually ignored in academic institutes, is another major initiative of IQAC. The lab safety seminars are conducted across the programs to make students aware about the safety aspects in the lab and a strict adherence to the norms is ensured by the lab safety committee of the university.

3.2 Details regarding major projects

	Completed	Ongoing	Sanctioned	Submitted
Number	13	14	2	16
Outlay in Rs. Lakhs	54,74,535.00	1,35,14,154.00	1,98,20,000.00	6,39,44,047.00

Table 3.1 Major Projects (Completed) during the year 2016 -17

S.N o.	Name of Faculty (Principal Investigator)	Name of the Funding agency	Title of the Project	Sanctioned order no.	Sanctioned date	Amount Received (In Rupees)
1	Prof. Neeraj Mahindroo	ICMR	Quality Standards of Indian Medicinal Plants and preparation of monographs thereon	MPD/TF/HD - Monog/42/2016	28/06/2016	639,082.00
2	Dr. Kalpana Chauhan	BRNS	Chitosan-thiomer, sulphide and sulphonium salt particulates in arsenic Detoxification	No.2013/37c /55/BRNS	1/3/2014	558,075.00
3	Dr. Dinesh Kumar (PI) & Dr. Somesh Sharma (Co-PI)	DBT	Process optimization for recovery and purification of Zein and xanthophyll's (resp. valuable maize proteins and pigments) and its stability application in food products.	BT/PR5884/FNS/20/680/2014	10/23/2013	422,210.00
4	Dr. Saurabh Kulshrestha	DBT RGYI	Identification and characterization of hypovirulence factors from <i>Rosellinia necatrix</i> causing white root rot in apple.	BT/PR6464/GBD/27/430/2013	9/22/2016	467,838.00
5	Dr. Pardeep Singh	SERB DST	Graphane based photo catalyst for water purification	SB/FT/CS-052/2013	26/05/2014	250,000.00
6	Dr. Anuradha Sourirajan Co-PI: Dr. Kamal Dev	SERB/ DST	Identification and Characterization of Medicinal Plants of North-West Himalayas with Synergistic Effects on Traditional Antibiotics to Control Clinical Bacterial Infections.	SR/FT/LS-98/2011	10/17/2014	170,000.00
7	Dr. Adesh Saini, Prof. Christine Winterbourn, University of Otago, ChristChurch, Newzealand ; Dr. Vikas Kumar, Center for Cellular and Molecular Platforms (CCMP), Bangalore	Indo New Zealand project by DST M BIE	Testing for the Efficacy of Functional Foods: Collaborative Development of an Assay to Determine impacts of Foods on Antioxidant Activity	INT/NZ/P-001/2013	11/20/2013	1,410,359.00
8	Dr. Preeti Thakur	SERB (DST)	Synthesis and characterization of nano-ferrites for the development of radar absorbing materials	SERB/F/7451/2013-14	2/21/2014	0

9	Dr. Rohit Goyal	DST	Isolation & characterization of bioactive leads from Pinus for prevention of osteoporotic syndrome	SB/FT/LS-376/2012	28/01/2013	0
10	Mr. Jitender Kumar	UGC-RGNF	In vitro culture standardization of Podophyllumhex and rum for production of Phodophyllotoxin	16-1847(SC)/2010(SA-III)	3/16/2016	3,26,800
11	Ms. Megha Sharma	DST – INSPIRE	Development of validated stability indicating assay method for TAZQ a novel bronchodialator and comparative accelerated degradation of digoxin and its acetate	DST/INSPIRE FELLOWSHIP/2013/94	7/2/2013	3,89,600
12	Ms. Kamna Sharma	DST – INSPIRE	Synthesis of pharmacological evaluation of nitrogen heterocycles with special emphasis on quinolone analogues	DST/INSPIRE FELLOWSHIP/2013/724	9/1/2013	3,89,600
13	Mr. Sunil Kumar	DST – INSPIRE	Isolation , characterization and biological evaluation of novel phytoconstituents for anti – cancer activity	DST/INSPIRE FELLOWSHIP/2013/672	10/14/2013	4,50,971

By adopting a Research Driven Model from the time the university was set up, focus has been on quality research, especially in the fields of Science. It is a result of this that within a short span, the university has not only been declared 2nd in the country in the sphere of bio-sciences, but there the university has been able to attain an 'h-index of 31 and 100 patents, which is likely to increase in future. Many researchers have their own Government aided projects. In addition, the university has been awarded government grants for making two Centres of Excellence in the fields of Food Technology and Himalayan Sustainability. Details of the research project are given under point no 3.2 and 3.3

3.10 Revenue generated through consultancy

32, 53,025

Shoolini University promotes and supports consultancy projects as an official policy. It encourages its faculty to undertake consultancy assignments with industry, institutions and organizations. These consulting projects typically entail providing innovative solutions to the industry for improving their products and processes, requiring professional expertise of the faculty and utilization of the infrastructural facilities available with the University. Having faculty with a blend of industry experience and academic excellence coupled with well-equipped research labs helps the University to attract consultancy projects. The Consultancy offered by the University typically entails providing innovative solutions to the industry for improving their products and processes, availing professional expertise of the faculty and utilization of the infrastructural facilities available within the University..

Table 3.7 Consultancy offered during 2016 -17 (financial year)

S.No.	Name of faculty (Chief Consultant)	Client Organization	Title of Consultancy of project	Amount received (in Rupees)
1	Prof .Atul Khosla	Oliver Wyman	SEBI Transformation	308,025.00

Table 3.13 INDIAN PATENTS FILED BY SHOOLINI UNIVERSITY as on 30 June, 2017

S.no	Title of the patent	Inventors	Patent filing no	Date of filing
1	Compound for enhancing activity of antibiotic compositions and overcoming drug resistance.	Umar Farooq, Tanuja Rana, Navroop Kaur	1229/DEL/2015 (Published for pre-grant approval)	04/05/2015
2	Novel peptide sequence for developing diagnostic agents for malaria detection.	Umar Farooq, Nazam Khan, Shakti Pal Singh Chauhan	1228/DEL/2015 (Published for pre-grant approval)	02/05/2015
3	Terpenoids from <i>Colebrookea oppositifolia</i> as activity enhancers of antibiotic compositions and extraction method thereof.	Kamal Dev, Anuradha Sourirajan, Vipasha Sharma	1326/DEL/2015 (Published for pre-grant approval)	12/05/2015
4	Compounds for enhancing activity of antibiotic compositions against drug sensitive and drug resistant bacteria.	Kamal Dev and Kazal Pathania	1429/DEL/2015	20/05/2015
5	Compounds from <i>vitexnigundo</i> for enhancing antibiotic activity and overcoming drug resistance	Kamal Dev, Anuradha Sourirajan, Sonika Gupta	1464/2015/DEL	23/05/2015
6	Novel peptide sequences for developing anti-malaria vaccines and therapeutic compositions.	Umar Farooq, Nazam Khan, Shakti Pal Singh Chauhan	1465/DEL/2015	23/05/2015
7	Nanocomposite for removal of dye based water pollutants	Deepak Pathania and Rishu Katwal	1537/DEL/2015	28/05/2015
8	Novel nanographene based composite for water treatment application and method of synthesis thereof	Pradeep Singh, Pankaj Raizada, Pooja Shandilya	1819/DEL/2015	18/06/2015
9	A novel microbe producing extracellular β -galactosidase and method of enzyme production thereof	Kamal Dev and Tarun Kumar	1895/DEL/2015	25/06/2015

10	Novel microbe producing xylanase and method of enzyme production thereof	Amit Seth, Shweta Chauhan, Chandrika Attri Seth, Varun Jaiswal	1846/DEL/2015	22/06/2015
11	Nanocomposite for antimicrobial treatment of drinking water.	Deepak Pathania, Rishu Katwal and Gaurav Sharma	1897/DEL/2015	25/06/2015
12	Chitosan-g-poly(acrylamide)/copper nanocomposite for controlled drug delivery.	Deepak Pathania and Divya Gupta	1875/DEL/2015	24/06/2015
13	Novel herbal anticancer compound and method of production thereof	Afroze Alam and KL Dhar	1913/DEL/2015	27/06/2015
14	Novel benzothiazole derivatives with enhanced biological activity	Kalpna Chauhan and Bhawana Kumari	2484/DEL/2015	12/08/2015
15	Improved persimmon wine with enhanced antioxidant activity and standardized method of production thereof	Somesh Sharma, Kiran Mahant	3884/DEL/2015	28/11/2015
16	Microbially produced antifreeze protein(s) and method of production thereof	Kamal Dev, Anuradha Sourirajan, Ranjana Suman	3886/DEL/2015	28/11/2015
17	Novel peptide from plasmodium falciparum for anti-malarial vaccine	Umar Farooq, Shakti Pal Chauhan, Nazam Khan	3887/DEL/2015	28/11/2015
18	Novel peptide sequences from the parasite <i>Echinococcus granulosus</i> for producing anti-cystic echinococcosis vaccine	Umar Farooq, Varun Chauhan, Azhar Khan	4116/DEL/2015	18/12/2015
19	Novel peptides for diagnosis of cystic echinococcosis	Umar Farooq, Varun Chauhan	4198/DEL/2015	21/12/2015
20	Novel chitosan based nanocomposite with antibacterial activity for water treatment and production method thereof	Deepak Pathania, Divya Gupta, Swadeep Sood	4255/DEL/2015	23/12/2015
21	Novel compounds possessing anti-echinococcal activity	Umar Farooq, Varun chauhan	Application no. 201611004817	10/02/2016

22	Flying Chair (Design patent)	Shoolini university and Sorabh Aggarwal.	Design application number 280329 (Granted)	11/02/2016
23	Novel nanocomposite for treatment of effluents containing dyes and method thereof	Deepak Pathania, Divya Gupta, Amit Kumar	Application no. 201611011100	30/03/2016
24	Nano ferrite substrate and its process of production for use in large bandwidth miniaturized antenna	Atul Thakur and Preeti Thakur	Application no. 201611013315	16/04/2016
25	Magneto-dielectric substrate for miniaturized microstrip patch antenna for use in high bandwidth in uhf band	Atul Thakur and Preeti Thakur	Application No. 201611018053	25/05/2016
26	Nano composites material with enhanced magnetic properties	Atul Thakur , Preeti Thakur, Kush Rana	Application No. 201611022599	30/06/2016
27	Novel anti-Leishmaniasis compound and method of production thereof	Afroze Alam and K.L Dhar	Application No. 201611022602	30/06/2016
28	System for safe overtaking and method of use thereof	AditRana	Application no 201611023982	13/07/2016
29	Novel alcohol free process for extraction of zein and xanthophylls	Dinesh Kumar and Sampy Duggal	Application no 201611031746	17/09/2016
30	Nanocomposite gel for oil spill remediation and method thereof	Amit Kumar, Ajay Kumar, Gaurav Sharma	Application no 201611036282	24/10/2016
31	Nano cobalt iron biochar for recycling of used/waste oil and method thereof	Amit Kumar, Ajay Kumar Gaurav Sharma, Deepak Pathania, Sunil Kumar	Application no 201611037781	04/11/2016
32	Novel anticancer compound isolated from <i>Brugmansia suaveolens</i> and method thereof	NeerajMahindroo, Sunil Kumar, Aditi Gupta, Reena Saini, K.L. Dhar	Application no 201611040684	29/11/2016
33	An isolate from seed oil of <i>Pongamiapinnata</i> with anti-osteoporotic activity and method thereof	Afroze Alam and Aditya Shiven	Application no 201611043705	21/12/2016

34	Improved vesicular formulation of thymoquinone for the treatment of dermal inflammatory disorders and method thereof	Poonam Negi, Charul Rathore, Ishita Sharma	Application no 201711002485	23/01/2017
35	Synergistic graphene sand nano composites for antibiotic degradation in waste water and method thereof	Pankaj Raizada, Pooja Shandilya, Rashi Dhiman, Pradeep Singh	Application number: 201711004067	03/02/2017
36	Novel nanocomposite for therapeutic use as immunostimulator and method thereof	Reena Vohra Saini, Adesh Kumar saini, Indu Hira, Amit Kumar.	Application number: 201611007222	01/03/2017
37	Novel microbe for assessing in vivo antioxidant status of foods and method thereof	Adesh Kumar Saini, Christine Coe Winterbourn, Vikas Kumar, Reena Vohra Saini, Rakesh Kumar, Ashu Poswal.	Application number: 201711007132	28/02/2017
38	Improved Anti biotic composition for treatment of Typhoid and Gastro infections caused by Salmonella” filed on 04/05/2017.	Kamal Dev, Jyoti Mehta and Urmila	Application no. 2017110115714	04/05/2017
39	Novel Anti-Cancer compound” filed on 04/05/2017.	Kamna Sharma, Sameer Sapra, and K.L. Dhar	Application no. 201711015752	04/05/2017
40	Nano-composite based Electronic sensor for detection of lead” filed on 04/05/2017.	Deepak Pathania and Manita Thakur	Application no. 201711015779	04/05/2017
41	Improved antibiotic composition for treatment of infections caused by staphylococcus aureus (filing date: 23/05/2017)	Kamal Dev, Urmila, Jyoti Mehta	Application no.: 201711017988	23/05/2017
42	Gene expressing novel microbial protein for engineering salt tolerance in plants and method thereof (filing date: 23/05/2017)	Anuradha Souriraja, Shivani Vaidya, Kamal Dev	Application no.: 201711018003	23/05/2017
43	Novel nanocomposite	Shagun Gupta,	patent filing	02/06/2017

	based immunosensor for detection of celiac disease and method thereof (filing date: 02/06/2017).	Dinesh Kumar, Ankur Kaushal	number: 201711019443	
44	Semi tubular solar air dryer (filing date: 02/06/2017)	Adit Rana and Ranchan Chauhan	patent filing number: 201711019471	02/06/2017
45	A machine for calculate cutting force and methods thereof (dated 12-06-2017)	Sashank Thapa, Akshay Pathania, Sorabh Aggarwal, Arjun Patial	patent number 201711020456	12/06/2017
46	Mobile cover (date of filing: 2/06/2017)	Sorabh Aggarwal Akshay Pathania Sashank Thapa Bhaskar Goel	Application number 294633	02/06/2017
47	novel anticancer nanocomposite (patent application filing date: 17/06/20)	Reena Vohra saini, Adesh Kumar Saini, Indu Hira and Amit Kumar	Patent filing number: 201711021290	17/06/2017
48	A system for blockage detection of air flow line(date of filing: 21/06/2017)	Abhilash Pathania, Bhaskar Goel, Haseem	201711021817	21/06/2017
49	Productivity Improvement by modification in fixture(date of filing: 21/06/2017)	Bhaskar Goel Abhilash Pathania Sorabh Aggarwal	201711021818	21/06/2017
50	Cooling pad for mobile(date of filing: 21/06/2017)	Sorabh Aggarwal Akshay Pathania Sashank Thapa Bhaskar Goel Raj kumar	294956	21/06/2017

Table 3.14 Research awards/ recognitions received by faculty and research fellows of the institute in the year 2016 -17

S.no	Student Name	Event	State/National/International	Date
1	Amanpreet Kaur Virk, Chandresh Kumari, Tanvi Gupta, Swati, Abhishek Bhardwaj (Guide: Dr Saurabh Kulshrestha)	Selected in top 20 teams in ABLE-BEST INDIA 2016 Entrepreneurship Workshop organized by Department of Biotechnology, Govt. of India at Manesar, National Capital Region.	National	19-23 February, 2017
2	Amanpreet Kaur Virk, Chandresh Kumari, Tanvi Gupta (Guide: Dr Saurabh Kulshrestha)	First Prize in 'Startup Manthan 2017' (Business Plan Competition for Students of Technical/Management Institutes of Northern Region) organized by NITTTR, Chandigarh.	National	20 April, 2017
3	Amanpreet Kaur Virk (Guide: Dr Saurabh Kulshrestha)	Best poster prize in a session on "Theme: Innovations" in 2 nd Himachal Pradesh Science Congress organized by Himachal Pradesh Council for Science, Technology and Environment (HIMCOSTE)	National	20-21 November, 2017
4	Dr Rajni Vaid, PhD scholar (guide Anuradha Sourirajan)	Best Poster award in Hargobind Khurana Memorial Symposium, Chandigarh, Title:	National	Dec 3-5, 2017

		Identification of substrates of budding yeast PLK, Cdc5 during pachytene exit in meiosis		
5	Dr Kamal Dev	Patent filing award by Shoolini University,	National	11 Dec 2017
6	Neha Chauhan, Meentu Prakash, Umar Farooq, Azhar Khan	Best Poster Award at National Seminar on “Innovations & Challenges in Basic & Applied Sciences” organized by Maharaja Agrasen University, Baddi Solan,	National	4 th March-2017
7	Shreya Jamwal	Young Investigator Award at International Conference organized at Kathmandu	International	
8	Dr Rohit Goyal	International travel award DST-SERB for APSA 2016 Sydney Australia	International	
9	Ms. Aditi Sharma	First prize oral presentation national conference on recent advances in green nanotechnology Bahra University Sept. 2016	National	
10	Ms. Charul Rathore	Second prize oral presentation national conference on recent advances in green nanotechnology Bahra University Sept. 2016	National	
11	Mr. Vijay Kumar	First prize in oral presentation, 5 th Annual International Conference on “Bioinformatics and Proteomics Driven Biomarker Developments” Sponsored by: Indian Council of Medical Research (ICMR), New Delhi held at Chitkara College of Pharmacy, Chitkara University, Rajgharh, Chandigarh on 7 th and 8 th April, 2017.	International	
12	Dr. Deepika Jamwal	Post-Doctoral Fellowship

Table 3.15 Research scholars / Fellows as on July, 2017

Sr. No.	Name of the Research Scholar	Details of the Fellowship
1	Mr Sampy Duggal	Senior Research Fellow in project entitled “Process optimization for recovery and purification of Zein and xanthophylls (resp. valuable maize proteins and pigments) and its stability application in food products.” Funded by DBT, New Delhi.
2	Ms Kajal Kumari	Junior Research fellow in project entitled “Utilization of wild Himalayan Fig for sustainable livelihood of weaker sections of the society in the mid hill region of Himachal Pradesh” funded by DST, New Delhi
3	Ms Divya Mittal	Junior Project Fellow “Post-fire management in the pine forests of Indian Himalayan Region by studying, conserving and distributing culturable microbial biota to increase ecological succession and to revive forest productivity funded by National Mission on Himalayan Studies (NMHS), Ministry of Environment, Forest and Climate Change (MoEF&CC)
4	Monika Bharti	Search for physics beyond standard Model at hadrons colliders using DZERO and Compact Muon Solenoid (CMS) detectors.
5	Madan	JRF
6	Rishika	JRF
7	Divya Mittal	JRF in NMHS project of Dr Adesh Saini, June 2016- present
8	Tanvi Gupta	Inspire Fellow working with Dr Saurabh Kulshrestha 2014 – present

9	Neha Chauhan	Inspire Fellow working with Dr Umar Farooq 2014 – present
10	Sonika Gupta	Senior Research Fellowship
11	Usha Devi	Senior Research Fellowship
12	Mohit Sharma	Senior Research Fellowship
13	Sukhvir Kaur	Senior Research Fellowship
14	Rajni Vaid	Junior Research Fellowship
15	Mr. Amar Raj Singh	Financial Assistance
16	Mr. Nitin Kumar	Financial Assistance
17	Ms. Aditi Sharma	JRF (DST Project)
18	Ms. Megha Sharma	DST INSPIRE Fellowship
19	Mr. Sunil Kumar	DST INSPIRE Fellowship
20	Ms. Kamna Sharma	DST INSPIRE Fellowship
21	Ms. Manjul Sharma	ICMR Project SRF
22	Ms. Preetika Gupta	ICMR Project SRF
23	Mr. Gajendra Singh	ICMR Project Assistant
24	Kshipra Sen	■ Project Fellow, Fellowship Rs 15000 per month
25	Pooja Shandilya	• JRF
26	Anita Sudhaik	• JRF

3.26 Major Activities during the year in the sphere of extension activities and Institutional Social Responsibility

The University strongly believes that teaching, research and extension are an integral part of higher education for enhancing the employability of its graduates.

The task of Institutional Social Responsibility is sensitized among students by holding workshops, interactions, field activities through Natural Social Service Scheme under the patronage of Dean of Extension Education and Dean Students Welfare. It played its role in societal responsibility (ISR) by organizing a host of activities in uplifting and awakening the surrounding population to bring them in the natural stream.

Red Cross Day

Flower Show

Candle march

The following is the list of activities done on regular basis:

- i. Blood donation camps
- ii. Tree plantation
- iii. AIDS Awareness Program
- iv. Sexual Harassment Prevention Programs
- v. Cleaning of local springs in the neighbourhood
- vi. Campus on use of Solar Energy for cooking
- vii. Painting competitions on environmental issue
- viii. Distribution of fruit and forest saplings to farmers for helping them to raise their earning and conservation of environment
- ix. Practical Training to local village women in food processing
- x. Organization of Spring Flower Festival
- xi. Village adoption for social upliftment
- xii. Upgradation of a primary school in the neighbourhood
- xiii. Celebration of International Days-World Environment Day, World Forestry Day, World Population Day, World Women Day, World AIDS Day
- xiv. Organize INSPIRE activities of Schools in the University campus

Youwecan-Association started in 2016 for Cancer Awareness. Formal MOU was signed in 2017. Close to two dozen camps organized in HP, Chandigarh and Punjab more than 2000 people are already screened for breast and oral cancer. Doctor teams are sent from YWC and the volunteer students from Shoolini Campaigns against drug abuse and tobacco cessation have also

been organized. Free health check-ups of housekeeping staff and women of barog have been done.

Care and share group visits various places like IAMD hospital which had regular inflow of patients of muscular dystrophy. Students help to boost the morale of the patients and families and also support documentation and other requirements at the hospital. They also make regular visits to the local orphanage and leprosy home to spend quality time. They also have a very close association with the senior citizens of Solan where the students spend time with the aged people trying to help them to become tech savvy. Recently the students collected 300 kgs of old clothes during the **Week of Giving** and sent them to Delhi Prayas group which lays focus on children especially the under privileged ones. This includes adopting the primary school in the vicinity. Students devote regular hours helping the children with their curriculum, extracurricular activities, health and hygiene, technical skills etc. The children celebrate several occasions together eg Children's Day Christmas Independence Day etc. Students have helped the needy children with books shoes warm clothing provision of fans etc. Women Empowerment works to help the local community. The house keeping staff is supported by this group. They also have regular programs on drug awareness domestic violence health and hygiene. A few fund raising campaigns were organized for women in need. Free medical and legal services are provided to them. Several programs for entertainment and motivating them are held

Criterion – IV

4. Infrastructure and Learning Resources

4.1 Details of increase in infrastructure facilities:

Facilities	Existing	Newly created	Source of Fund	Total
Campus area	20.1 acres	----	-----	20.1 acres
Class rooms	57	57	-----	57
Laboratories	33	26	Fee & Research Grants	59
Seminar Halls	10	5	Fee	15
No. of important equipment's purchased (\geq 1-0 lakh) during the current year.				
Value of the equipment purchased during the year (Rs. in Lakhs)	1,23,17,400		Fee & Research Grants	
Others	1	1	-----	1
Open Air Theatre				
Adventure Camp	1	1	-----	1
Cineplex	1	1	-----	1
Indoor Sports Complex	1	1	-----	1
Play grounds	Basketball. Volley Ball, Badminton, and Cricket pitch.			
Gymnasium	Central gymnasium in the indoor Stadium ; additional facility in boys and girls hostel			

4.2 Computerization of administration and library

The Yogananda Library of Shoolini University and all administrative functions are fully automated.

Library has evolved as a Multi- dimensional learning facility and transformed itself as a Knowledge Center, in keeping with the vision of the University.

The five storey building that houses the Knowledge Center is a state-of-the- art, architectural marvel using ‘green’ technology. With a naturally-lit central atrium, wooden interiors, spacious layout, topped by a designer lawn, the Yogananda Knowledge Center is an icon of the Shoolini University which can concurrently accommodate 300 students.

- i. The library services uses ‘Pearl plus MySQL’ based on KOHA software.
- ii. The webpage including holdings, booking and queries can be accessed through the University intranet
- iii. Access to centrally subscribed research sites and other libraries can be accessed through a password generated access system.

Recent digital initiatives taken in the library are enumerated:

- i. Full automation of library services with digital access referencing system
- ii. Digital linking of the Central Library and School libraries.
- iii. Electronic Access Control System and CC TV Coverage.
- iv. Creation of Analytics and Language Lab.
- v. Introduction of E- newspapers and magazines.

Each school also maintains a library, which is an adjunct the main Library. In view of the central location of the Central Library, school libraries have been created as Wi-Fi Hot Spots, transforming them as ‘Virtual Libraries’ with access to various resources including LMS and KMS resources through the central repository. Notwithstanding, these libraries have essential reference material, copies of dissertations, theses, papers and domain specific projects.

Library Automation. Though the entire Library is Wi-Fi enabled, the following are provided:

Total number of computers for public access	: 24
Total number of printers for public access	: 2
Intranet bandwidth for library	: 65Mbps
Institutional repository	: Through Intranet

Participation in resource sharing networks/consortia: eUniv, EBSCO, DELNET and Open Sources.

The list of Licensed Software is as follows:

Office Automation/ Application Software

- i. Tally 9.0
- ii. MS-Exchange Server 2007
- iii. MS-Exchange Server 2000
- iv. Exchange Server CAL OLP NIAE 2000
- v. Microsoft Front Page 2002 AE
- vi. MS-Office 2013, 2010, 2007, 2003 & XP
- vii. MS Access 2010
- viii. MS Project 2010
- ix. MS Outlook 2010

Operating System/ System Software

- i. Windows Server 2008 R2 and 2003 R2
- ii. Windows 7, 8.1 & XP
- iii. MS- Windows 2012 server
- iv. MS-Windows NT 4.0 Server
- v. MS- Windows NT 4.0 workstation

Anti-Virus Scanners. Trend Micro Antivirus

Number of nodes/ computers with internet facility: 100 % with internet facility.

Any other. The University has connected all blocks and hostels by OFC to concurrently broadcast lectures, motivational movies etc.

Apart from the above the institution has deployed the following IT facilities

- i. Mail, Messaging (Microsoft/Gmail cloud for students and faculty)
- ii. Web content filtering & caching proxy
- iii. Gateway security & anti-spam
- iv. Application servers on Linux and windows
- v. DHCP and RADIUS protocols
- vi. Library management services and online web catalogue

- vii. Many to Many Video-conferencing
- viii. Helpdesk services
- ix. Network security
- x. Key management services and DNS
- xi. Wi-Fi campus on 802.11n with fault tolerance and load balancing
- xii. Open source Learning Management System - eUniv
- xiii. Anti-plagiarism system
- xiv. Virtual classroom and eUniv

Planned for future

- i. Directory based Authentication
- ii. Timetable optimizer & smartcard based real-time attendance management system
- iii. Services & parent-services
- iv. ERP system – Enterprise portal for student/ employees
- v. Implementation of Open source tool for network management system
- vi. Backup and Data Recovery
- vii. IP Camera Surveillance
- viii. Database services
- ix. Endpoint enterprise antivirus
- x. Asset and Inventory Control

4.3 Library services:

	Existing		Newly added		Total	
	No.	Value	No.	Value	No.	Value
Text Books	30842	49.78 Lac	3652	9.84 Lac		59.62 Lac
Reference Books	3169					
e-Books	150000					
Journals*	9000	*9.68 lac is the recurring expenditure spend on newspapers /library journals / e journals and magazines annually				
e-Journals						
Digital Database	4		----	----	4	
CD & Video	1800				1800	

Others - Magazines	25				25	
Newspapers	21				21	

4.4 Technology up gradation (overall)

	Total Computers	Computer Labs	Internet	Browsing Centres	Computer Centres	Office	Departments	Others
Existing	359	6 Labs	75 mbps	21	60	40	60 (all)	
Added	4	---	30 mbps	-	-	4		
Total	363**	6	105 mpbs	21	60	44	60	

** As a policy every faculty member uses laptops for teaching and research – no's above are exclusive.

4.5 Computer, Internet access, training to teachers and students and any other programme for technology Upgradation (Networking, e-Governance etc.)

- i. Online Library on “moodels”
- ii. LMS system for Students and teachers
- iii. MyShoolini app for Android and IOS for faculty & Students
- iv. Online attendance system for students and faculty

4.6 Amount spent on maintenance in lakhs: 62880463

i) ICT	2357748
ii) Campus Infrastructure and facilities	54403634
iii) Equipment	967813
iv) Others	5151268
Total:	62880463

Criterion – V

5. Student Support and Progression

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

The information about Student Support Services, available in the University, is given to students and all stakeholders through the University web site.

The IQAC enhances the awareness about the Student Support Services through multi-level system that focuses on overall development of students in holistic way.

Orientation program

This is conducted for all the new students before the formal commencement of classes. The University has three levels of well-defined orientation system as depicted in Fig. 5.1

University Level

- i. Introduction to the academic rules and regulations of the University.
- ii. Issue of Identity cum ERP Smart Cards and explanation on its, multi-purpose usage.
- iii. Personnel of the Anti-ragging and grievances redressal committees are introduced. Dean Student Welfare complimented by Dean Resident students, supports the students in extra-curricular development through NSS, sports, cultural, social and extension activities etc.
- iv. Introduction to hobby clubs.
- v. Foreign students are provided all the basic facilities and support to adjust in the new environment. They are assigned a faculty as well as a student mentor.
- vi. Meditation and PT classes for physical and mental fitness of the students.

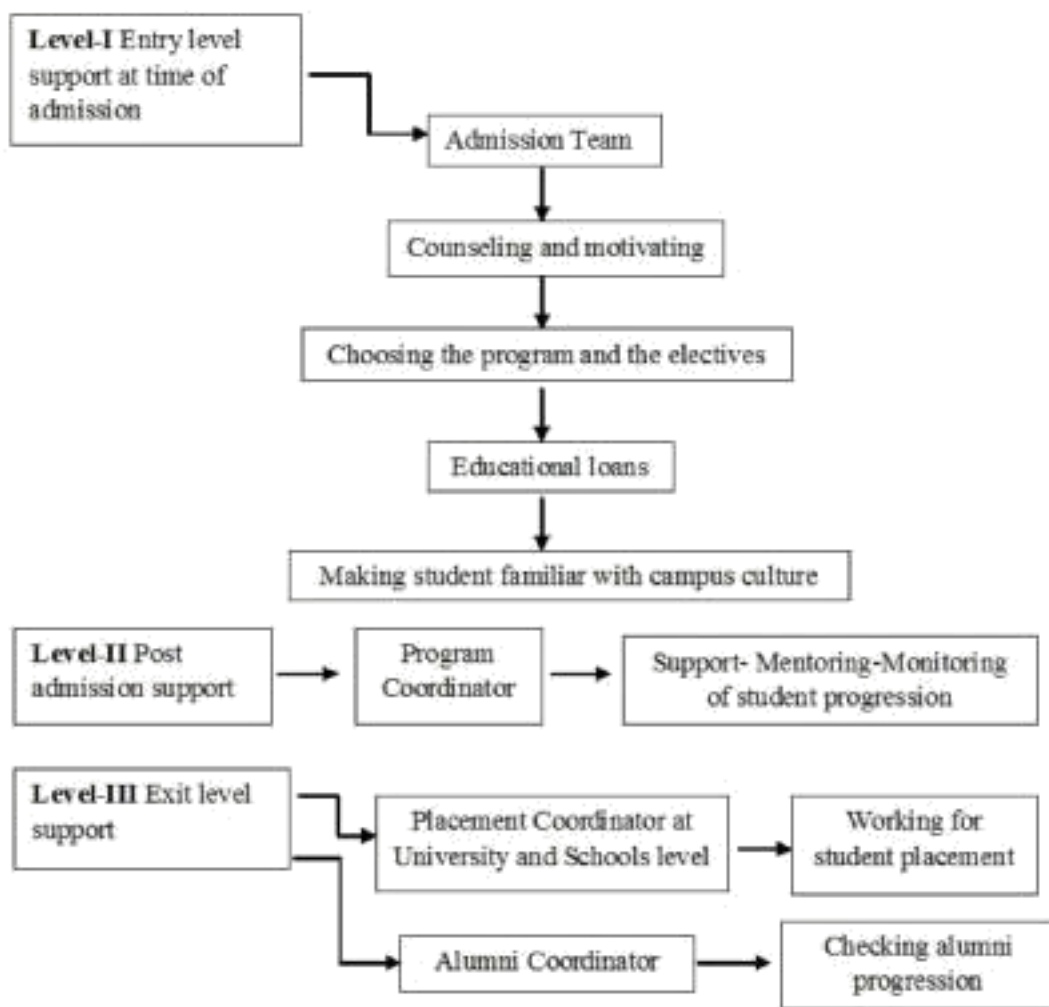

Fig. 5.1 Student Support System

Student Support at School Level

- i. Introduction to all faculty members.
- ii. Administrative staff helps students in registration formalities.
- iii. The team also provides the day to day information on time table, examinations, guest lectures, special events and holidays etc.
- iv. A Faculty mentor is assigned to each student. Mentors supervise academic performance and provide psychological support.
- v. Mentors also guide the students to take up the research projects and other initiatives like organizing events and participation in extracurricular activities etc.

Hostel Level

- i. Introduction to the hostel rules and regulations of the University.
- ii. Hostel students are also provided all support by the wardens to adjust to the new environment.

Placement and Career Development Cell

- i. This has been established in the University where students get guidance on job opportunities. The following are ensured.

Placement drives: Facilitates ‘on campus’ placements.

Placement opportunities : The students are offered placement opportunities for two years after their completion of the degree.

Alumni Association: Regular interactions with students.

Health Care

There is a well-equipped health center with two full time doctors, to provide the basic health care services. Apart from health care services, doctors have been counselling students on physical and mental fitness. The Lady Doctor is part of the counselling cell to address the social and psychological aspects.

5.2 Efforts made by the institution for tracking the progression

Guidance and monitoring of the students’ progress is performed regularly through a well-defined mentor-mentee program.

The academic support structure at Shoolini University begins as soon as students are admitted and continues throughout their stay at the University and even beyond. The entry level support system involves a team of trained counsellors and members of the faculty who help the students get acquainted with the academic structure and expectations. The support system at the post

admission phase is monitored by respective program coordinators and deans; other faculty members contributing in the process. There is a placement team headed by Director Placements that provide exit level support. Post exit, the Alumni Coordinator keeps a track of the professional progression of Shoolini's students.

The offices of the Dean Student Welfare and the Dean Resident Students provide students with all forms of infrastructural support they require for their non- academic pursuits. Adequate opportunities are provided to the students to hone soft skills and develop different facets of their personality. Regular sessions are conducted by experts to help students practice Yoga and meditation. Physical Training and Meditation being mandatory for first year UG students of the Engineering streams.

5.4 Details of student support mechanism for coaching for competitive examinations (If any)

University has incorporated many courses in regular curriculum like courses on Personality Enhancement, Aptitude and analytical skills, NET/ GPAT/ GATE, AMFI (Association of Mutual Funds in India) Certification, IRDA (Insurance Regulatory and Development Authority) Certification etc. which has helped many students to clear competitive exams.

The Shoolini Study Circle is a common platform for every student to know about competitive examination and discussion etc.

Coaching classes are also offered for NET/SET, GATE and GPAT and guidance is provided for competitive examinations. Following steps have been taken in this regard:

1. Curriculum: It is designed to meet requirements of NET/SET/GATE/GPAT and other competitive examinations.
2. Coaching classes: Coaching classes for NET examination and other competitive tests like banking and insurance etc. are conducted as a result many students have cleared various competitive exams.
3. Value added Courses: Current Affairs, General Awareness and Aptitude Development have been incorporated in the curriculum of some programs like MBA, B. Com (Hons), BBA and B. Tech.
4. Online study material: Course material is thereafter put on the University net for wider circulation.

5.6 Details of student counselling and career guidance

Students are provided counselling and guidance at multiple levels – from the time they are admitted, until they graduate from the University.

- Centralized Admission Cell guides all new students to help them familiarize with the campus facilities and University rules.
- Students get assigned to a faculty mentor in groups. The mentor provides guidance to his/her mentees in both academic and personal matters till the time individual students got placement.
- In addition, project guides are also nominated who guide the students for their project work.

- The Dean Student Welfare, Dean of Resident Students' and Dean Academic Affairs oversee all initiatives and actions related to students' safety and welfare in the campus and hostels.
- The 'Placement and Career Development cell' provides counseling and facilitation for placement and career development of the students.
- Alumni associations and various Clubs have been formed with active participation of ex-students and faculty for students to guide and familiarize them with the requirements and expectations from the industry and the corporate world.
- Office of International Affairs counsels and facilitates students to participate in exchange programs with global universities, and also to enroll in their internship and PG/ Doctoral programs.

Faculty mentors are appointed for every 20-30 students. Placement Coordinator for every department and a Central Placement Cell that take care of placement and career counselling of the students University has also established “Disha” counselling cell to address social and psychological aspects of the students, designated counsellor visits the university every fortnight for individual and group counselling which has benefitted students. University has also started an Open Elective Introduction to Psychology which is very popular among students.

5.7 Details of campus placement

Placement and Career Development Cell of the University provides career guidance and job opportunities to the students. The following are ensured through the same:

- Placement drives: Facilitates ‘on campus’ placements.
- Placement opportunities: The students are offered placement opportunities for two years after their completion of the degree.
- Alumni Association: Continue to interact with students.

Placement team headed by Director Placements provides exit level support. Post exit, the Alumni Coordinator keeps a track of the professional progression of Shoolini's students.

5.8 Details of gender sensitization programmes

The University promotes a gender sensitive environment. In that, the following are in place:

1. Conducting gender related lectures by counsellors and legal cell of the university for students and faculty on sexual harassment and its prevention.
2. Creation of a cell to deal with issues related to sexual harassment.
3. A Sexual Harassment Prevention Committee is in place as per the direction of the Hon'ble Supreme Court.

5.12 No. of social initiatives undertaken by the students

The University's neighbourhood student network, directed at the socio- economic welfare of stakeholders is organized by Dean Extension in collaboration with Dean Students Welfare. The focus of activity is on villagers who had sold the land to the University for the development of the campus and who subsequently constituted the labor force. In addition the University has selected Panti village in Shimla District where fruits of the horticultural revolution in Himachal Pradesh has not reached due to the backwardness of the region. Free saplings of fruit and forest species are being provided to them along with the technology in collaboration with the University of Horticulture and Forestry. This activity that has taken place over the last four years has yielded fruit and reached the markets.

Institutional social responsibility is also carried out in these adopted villages by the students and the faculty by organizing the following activities:

i. Adoption of neighbourhood Schools Primary and Senior Secondary

- i. Special classes by students and teachers
- ii. Cleaning the environment of the schools
- iii. Involvement of School students in cleaning of fresh water springs
- iv. Celebration of special days
- v. Personal hygiene
- vi. Organizing visits of students to the University campus
- vii. Guidance on career counselling

ii. To Diagnose and Design of the farm lands

- i. Organization of Kisan Ghostis Meetings
- ii. Guidance for new farm technologies and quality seeds
- iii. Visits of the farmers to the University
- iv. Provide technical guidance on food processing

iii. To Enhance Employment and Socio-economic Upliftment (only for those who sold their lands to the University)

- i. Promotion spiritualization of available money for business pursuits relevant to the University- construction of a hostel for students to University; construction of a paying guest accommodation and restaurant for the students. These are now operational.
- ii. Free ship to all students who are eligible to seek admission in the University.
- iii. Seek their participation in all social oriented activities of the University.

5.13 Major grievances of students (if any) redressed:

Redressal of grievances is done at multiple levels – both at the central and school level: Grievances could also be addressed directly at the University level to the Dean Student Welfare and Dean Resident Students.

At the school level, grievances from students are redressed through the medium of Mentor-Mentee system as also by direct representation to the program coordinator and Head of the School.

Students can also mail their grievance(s) at Care@shooliniUniversity.com for the attention of the Central Student Grievance Cell. Identity of the student is kept confidential in all such cases.

Grievances cell is in place for Prevention of Sexual Harassment of Women Staff and Students.

All grievance issues of the students for the academic year 2016-17 were addressed at the School level only; no issues were reported to the grievance cell.

Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision

‘To be a top 200 global university by the year 2022’

Vision behind Shoolini University of Biotechnology and Management Sciences is to provide students with an opportunity to learn from and interact with top-most experts in their field of expertise. Efforts are made develop Shoolini University into an internationally recognized center of research and education. The University’s model is to blend expertise in biosciences with the principles and practices of engineering and business management to create exceptionally skilled human resource for future leadership positions in academia and industry.some of India’s and the world’s most renowned academicians, scientists and business managers are already collaborating with the institute to make this vision a reality.

In a step toward fulfilling the vision of being amongst the top 200 universities by the year 2022;

Mission

1. To provide the ideal environment for higher learning with a serene & beautiful campus, state-of-the-art facilities & a creative atmosphere conducive to excellence in pursuit of knowledge.
2. Be a knowledge leader in our selected specialties in the academia; and provide outsourcing and consultancy services to industrial/ organizational setups in this domain
3. Encourage our students to be “balanced specialists”, who excel in their own field, while being well-rounded through personality- development & extra-curricular activities.
4. Develop students who will be recruited by the best employers, and who will contribute to the economic vitality of the state & country.
5. Create an environment to attract top faculty; and build a pool of academic leaders by providing the right ambience and resources.

6.2 Does the Institution has a management Information System

Yes, Shoolini University has a well-designed Management Information System and has developed in-house enterprise wise information on intra-net known as myshoolini.

It is the most comprehensive source of information on academic and non-academic matters, programmes and policies of relevance to students, faculty, and staff members. Myshoolini describes the code of conduct and fundamental standards stating the expectation from all key stakeholders and interested parties. All university Regulations and Policy Guidelines are published and informed to everyone through mail.

Few reports generated on myshoolini are Report of Enrolled Students, Registration analysis, Domain/Open Elective Courses: Students & faculty attendance, session plans and Internal/External marks. Time Table: Faculty Allotment, Consolidated time table report, class allocations

Apart from this Shoolini University has developed eUniv portal to supplement classroom teaching wherein syllabus and lecture plans, video lectures are developed and provided to students for all courses taught in the university. Students can access this with login and password provided at the time of registration. eUniv also acts a platform for online examinations , class discussions , case studies etc.

Feedback from various stakeholders is also taken and analysed. The reports /analysis are disseminated horizontally and vertically and are incorporated in the institutional review, planning and decision making. Periodic reviews are conducted at institutional domain and university level where the analysed and interpreted data is considered for the effectiveness of the research function and the suitability and usefulness of the data generated.

The results of the analysis and audits are informed to the concerned authorities and Management through Management Review Meetings and One to one interactions periodically.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The University takes feedback and suggestions for the curriculum development and revision process by incorporating inputs from the potential employers, scientists, alumni and other eminent personalities who visit the campus during placement week, workshops, conferences, SPRINT program and Guru Series talks. Boards of Studies constituted at School level include external experts from industry and academics to structure and revise the curriculum for improving the employability of students.

Lecture Schedules/Plans are prepared at the beginning of the semester and uploaded on eUniv.

Placements of the University's students have significantly improved through regular fine-tuning of curriculum.

6.3.2 Teaching and Learning

Shoolini University is committed to excellence in all aspects of learning, transmission of the knowledge and developing skills and most importantly, to encourage free thinking to address complex challenges.

There is a centralized body headed by the Dean Academic Affairs to review the teaching learning process and conducts academic audit on annual basis. As per the recommendations of academic audit carried out at different levels, following initiatives have been taken by the University to improve teaching, learning and evaluation:

1. Case study method adopted wherever applicable.
2. Enhancing employability through skill enhancement, outcome driven curriculum and modern pedagogy.
3. Personal development of students through different modules, such as, tutorials, mentorship, computer literacy, meditation, communication and language proficiency etc.
4. Faculty development programmes
5. Preparation of detailed lecture schedules/plans
6. Online examinations started.
7. eUniv initiative for round the clock learning as a supplement to classroom teaching.
8. Feedback system developed for various stakeholders
9. Course completion undertaking by each faculty.
10. Online library services.
11. Publications in SCOUPS indexed journals and progress report.
12. Presentations in each semester to improve quality of research.
13. Lab manuals prepared.

6.3.3 Examination and Evaluation

Online conduction and submission of question papers, assignments, quizzes etc.

2. Minimum attendance criteria for appearing in the end term exam is strictly adhered to.
3. Open book exam introduced
4. CBCS 10-point grading scale for examination introduced.
5. Centralized Question paper setting strong room made operational.
6. Fully automated, paperless examination form filling system introduced.

7. Format of question papers, distribution of marks and evaluation process is informed in advance to all Deans/HOS's/Program directors and students.
8. Results are declared 1-2 weeks after the exam.
9. Results are immediately uploaded on the website and “my shoolini “dashboard on the same day.

6.3.4 Research and Development

Shoolini University is located in Himalayas which has a fragile eco system and has unique requirements. This aspect is given highest importance while designing research and development policies. The University has, therefore, adopted a research driven model which seeks to blend expertise in life sciences and engineering with the principles and practices of business management and blends it with industrial and societal needs for the sustainable development of the Himalayas. The University's research philosophy therefore, rests upon the following verticals:

1. Develop excellence in scholarly standards with a focus to move into the club of internationally reckoned centers of research and education.
2. Harnessing Himalayan biodiversity, its conservation and sustainable management.
3. Develop cutting edge technologies.
4. Foster inter institutional collaborations.
5. Focus on niche areas like health care, food, energy conservation and generation, Nanotechnology etc.
6. Conduct quality research, encourage publications in journals of global repute and file patents

The University regularly conducts workshops, training and sensitization programs, to promote research culture in the University.

Steps that have been initiated for promoting research are enumerated below:

Advancing Funds for Sanctioned Projects: Many a time, there is a substantial delay in receipt of funds. Therefore, once the sanction letter from the funding agency has been received, advance funds are provided.

Providing Seed Money: At the time of its inception, research labs, instrumentation labs, workshops with basic infrastructure was set up in all Schools by the University to facilitate research. In addition, the University also provides seed money to faculty members to support research projects.

Simplification of procedures for sanctions/ purchases by investigators: The procedure for sanction/purchase by investigators is simplified in the University.

Autonomy to the principal investigator/coordinator for utilizing overhead charges: The Principal Investigator/Coordinator is given full autonomy for utilization of overhead charges.

Timely release of grants: Funds are transferred to the project head as soon as they are received from the funding agency.

Timely auditing: Audits are done regularly on time at the end of the financial year

Submission of utilization certificate to the funding authorities: The utilization certificate is submitted timely.

6.3.5 Library, ICT and physical infrastructure / instrumentation

In spite of being young in age, Shoolini University has state-of-the-art infrastructure that compares favourably with some of the best institutions in India. The University's commitment towards quality education can be partly visualised if one visits any of the 105 laboratories that exist with the purpose of promoting learning through teaching, research, workshops, computing, or studio work. The University prides itself in its achievements thus far, and endeavours to march in its pursuit of providing world class learning environment and producing the leaders of the future.

Conventional teaching has been supplemented and augmented by the use to latest technology. ICT enabled class rooms facilitate teachers to demonstrate problem solving techniques. The library is well stocked with approx. 1.85 lac book titles in the physical and electronic form. The University subscribes to around 9,000 e-journals through USA based EBSCO and DELNET databases. These resources allow the students and researchers to quality research resources, in their respective areas of research. The multi-functional Enterprise Resource Planning (ERP) system coupled with the enhanced Learning Management System (LMS) and planned Knowledge Management System (KMS) (developed in-house adapting freeware) has/ would provide an interface to teachers and the students to take the teaching- learning processes to a new level.

The entire University is connected through a high bandwidth enabled wireless network and auditoriums are linked through intranet as well as internet with video- conferencing facilities. Such a technology savvy learning environment allows students to extend and explore their research interests on a 24x7 basis. The iconic Yogananda library building has been transformed into a multi-dimensional facility and it stands out, not only as an architectural splendour but also as the pulsating heart of the University, extending knowledge on a

click. At Shoolini University, learning is not limited to class rooms and laboratories. The latest addition is the Dr. APJ Abdul Kalam Seminar Complex, which has two state-of-the-art auditoriums and three seminar rooms, with a total capacity over 400. In addition, there is a Cineplex with a seating capacity of 150 that offers a high quality audio and visual experience to its audience. The University offers its students excellent indoor and outdoor facilities to pursue a sport of their inclination and choice. The open air theatre, auditoriums, cafeterias, open spaces nestled within the forests and the hills offer students a sylvan experience of University life that is a hallmark of the University.

6.3.6 Human Resource Management

The University is proactive in developing its faculty members in order to meet the requirements of a modern curriculum through various Faculty Development Programs, training sessions, workshops, conferences, and visits to other institutes and frequent interactions with the experts from various fields of specialization.

Shoolini University follows a systematic process to ensure the availability of highly specialized human resources. Depending on the revision of the curriculum, requirement of knowledge domain specialist is identified at the School level which is then proposed to the registrar for approval from Vice-Chancellor and University Management. Once the requirement is approved, the recruitment process begins with advertisements of the posts in newspapers and University website giving the detailed job description and specifications. Applications received are scrutinized based on the compatibility of the candidates. Shortlisted candidates appear for personal interview before the expert panel, including external subject experts, constituted by the University.

Initiatives taken to strengthen human resource include:

1. To have an open system of grievance handling for faculty and staff.
2. To analyze the issues raised during the exit interviews for revision in the procedures and guidelines of the university.
3. To ensure the happiness quotient among the faculties and staff.
4. To continuously have faculty development programmes to create awareness and increase the knowledge level of faculty in university regulations and guidelines.
5. To create welfare schemes for faculty and staff.
6. To periodically conduct Surveys, Faculty Attrition analysis, Exit Interviews Analysis.

7. To continuously improve the HR Practices and processes based on the feedbacks and adopting the International best practices

6.3.7 Faculty and Staff recruitment

Human Resource is an important aspect for the growth of any higher education institute. University makes special efforts for recruitment and retention of quality faculty. The desired profile of the faculty at all levels has clearly been defined. The positions are advertised through print and electronic media. The impact of the change has been clearly visible through larger interest among prospective faculty to join Shoolini University. A meticulous process of evaluation that includes seminar presentation and personal interviews with a carefully chosen panel of experts is adopted. To provide impetus to the effort and facilitate selection and induction of highly qualified faculty members at the entry and higher levels, w applications are entertained throughout the year. Internal promotions are also done during the annual appraisals.

6.3.8 Industry Interaction / Collaboration

Shoolini University recognizes the importance of providing international, industrial and corporate exposure to its students and faculty. Frequent industry exposure through industrial visits and lectures by industry experts are a regular practice. The development plans in this direction include:

- i. Expansion of the University's network and consolidate linkages.
- ii. Focus on partnership and participative cooperation.
- iii. Expand the scope of consultancy to provide the industry scientific solutions for their growth.
- iv. Strengthen the mentorship program through industry mentors both for students and faculty

As part of international tie-ups with various organizations, Shoolini University has an exchange program for students and the faculty to pursue studies and undertake research with universities, outside the country. However, the University plans to strengthen and collaborations and tie-ups with universities across the globe.

6.3.9 Admission of Students

The University has an Admissions Committee having representatives of each faculty under the chairmanship of the Vice Chancellor which formulates the guidelines for admissions and reviews the admission process and profiles of admitted students on an annual basis. The Committee has the mandate to monitor and ensure adherence of rules and regulations for

admissions, as specified by regulatory bodies, both for eligibility criteria and conduct of the entrance tests. The University has put in place 'single window counselling' for prospective students and parents relating to matters concerning admissions and the facilities being made available.

On the other hand, analysis of admissions is conducted periodically so as to make changes to draw students from all sections of the society. As a result of these strategies, admissions in the University has been on the rise progressively. Amongst the sixteen private universities in the state, Shoolini University attracts the highest number of students.

In order to ensure the required publicity proper advertisements are issued in local and national newspapers, TV Channels, FM Radio, University's website, and also through handbills and inserts in newspapers and outdoor hoardings. University publishes annual prospectus (information brochure) providing details of all courses with their eligibility criteria and elaborating the admission procedure, as also the facilities available in the University. All admissions are made as per the guidelines of the Himachal Pradesh Private Educational Institutions Regulatory Commission/ PCI/ UGC/AICTE. List of all admitted students for each program is posted on the University's website and the Schools' notice boards. The University does not have any Management quota.

6.4 Welfare schemes for

Teaching	Yes
Non teaching	Yes
Students	Yes

All employees have benefitted out of the welfare schemes as enumerated below:

- i. Health insurance.
- ii. Provision of medical leave and on campus medical facilities.
- iii. Exclusive facility for women in women center, including a crèche.
- iv. Subsidized transportation.
- v. Employees Provident Fund.
- vi. Fee concession to wards.
- vii. Incentives for higher qualifications/ generating research grants.
- viii. Special facilities for differently-abled being progressively built up.

The Dean Student Welfare, Dean of Resident Students' and Dean Academic Affairs oversee all initiatives and actions related to students' safety and welfare in the campus and hostels.

Dean Student Welfare complimented by Dean Resident students, supports the students in extra-curricular development through NSS, sports, cultural, social and extension activities etc.

Table 6.1 Student Scholarship Schemes

S. No.	Category	Student Scholarship Schemes
1	SC/ST	Relaxation in admission eligibility as per State and GOI norms Reservations are ensured as per the policy of the Government of Himachal Pradesh
2	OBC	Relaxation in percentage Reservations are ensured as per State and GOI Norms
3	Women	Scholarships are provided to single girl child 5 percent relaxation for women candidates
4	Economically weaker sections	Scholarships are provided as per State and GOI norms
5	Persons with varied disabilities	Reservations are ensured as per State and GOI Norms
6	Outstanding achievers in sports and other extracurricular activities	Relaxation in percentage as per University norms

6.5 Total corpus fund generated

6.8 Does the University/ Autonomous College declare results within 30 days?

For UG Programmes Yes ☒ No ☐

For PG Programmes Yes ☒ No ☐

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

- A minimum attendance criterion for appearing in the end term exam is strictly adhered to.
- Online conduction and submission of question papers, assignments, quizzes etc.
- Open book exam introduced
- CBCS 10-point grading scale for examination introduced.
- Centralized Question paper setting strong room made operational.
- Fully automated, paperless examination form filling system introduced.
- Format of question papers, distribution of marks and evaluation process is informed in advance to all Deans/HOS's/Program directors and students.
- Results are declared 1-2 weeks after the exam.
- Results are immediately uploaded on the website and "my shoolini" dash board on the same day.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?
Not Applicable

6.11 Activities and support from the Alumni Association

Shoolini Alumni Association was constituted to create a platform for students who have passed out to join hands with the University to support its vision and contribute by working together. Though the platform has still to meet its objectives, since the University is still new and its alumni still at junior levels. Objectives kept in mind before the constitution of Alumni Association are given; these are likely to show results in subsequent years:

- i. To maintain a comprehensive database of Shoolini Alumni.
- ii. To identify and promote alumni achievements and enhance the credibility and reputation of the University.
- iii. To keep the Alumni involved with the University through interaction programs, events and assist in placements.
- iv. To keep the Alumni engaged with the University through Social Media which helps in strengthening the association.
- v. To engage them in Social activities which contribute towards the development of society and nation as well.
- vi. Placement facilities further provided to all students even for two years after successful campus placements

6.12 Activities and support from the Parent – Teacher Association

Though University has no formal structure like parent teacher association, parents are an integral an important stakeholder in enhancing the institutional performance. There is a formal procedure of obtaining parent feedback and conducting their satisfaction survey so as to involve them in decision making processes which impact the academic experience of the students.

6.13 Development programmes for support staff

Computer proficiency up-gradation programmes for the administrative staff to achieve the desired standards and all the staff has been trained to handle computers for the routine jobs. The non-teaching staff has been motivated and the self-development achieved can be gauged from the higher qualifications attained by its staff during the last five years. Special SPRINT (Skill Progression through Rapid Innovative and Intensive training) programmes , Orientation programmes , Effectiveness programmes are also conducted regularly for the non-teaching staff.

6.14 Initiatives taken by the institution to make the campus eco-friendly

Shoolini University's agenda is focused on harnessing, conserving and managing the Himalayan biodiversity. The University aspires to place itself as the resource pool in all fields pertaining to sustainable Himalayan development. It is with this mission that the University is a proud member of the Consortium on Himalayan Universities.

We have continued to improve the campus environment for students and staff, with new teaching research facilities, expanded students accommodation and new study spaces. The most significant addition to the campus is the Yogananda library of the university. We have envisaged on developing additional high -quality sporting amenities like the indoor sports complex with badminton and table tennis facilities for improving students' stay at the university. The addition of gymnasium has provided international look. In years to come, we expect the university to continue to prosper, making a strong and increasing contribution to the regional and national economy.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

IQAC (Internal Quality Assurance Cell) has been actively involved in improving the academic systems and processes. The IQAC prepared the Annual Quality Assurance reports and organized the academic review of the departments. Based on the report of the academic review an action plan to implement the findings of the academic review has been developed. The process covered review of curriculum, research, staffing, infrastructure, governance, academic and administrative decision making, strategic and implementation planning encompassing much of the entire academic culture of the University. The findings report sets out a path, by means of a set of recommendations, to achieve a closing of the performance gap. There are also some observations and recommendations which are core to the contemporisation process.

The following innovative measures were taken which has a positive impact on the functioning of the institution and cater to the changing requirements of the students and improving teaching methodology:

- i. Online support for teaching and evaluation is being used. eUniv; Shoolini's online academic portal based on Moodle is fully operational.
- ii. PPT, Videos, Research papers, EBSCO database are made available online.
- iii. Fully operational online examination system that incorporates - MCQ, short and descriptive questions, quiz, assignment etc.
- iv. Online discussion forums started to have anytime anywhere dialogue between faculty members and students.
- v. Complete and incognito student course feedback system introduced.
- vi. Yogananda Knowledge Center (YKC), the Central Library is made operational round the clock.
- vii. Students can use the practical labs round the clock.
- viii. Expert lecture sessions by the name of "Guru Series" are operational.
- ix. Faculty Development Program by "Managing partner- Proliferator Advisory & Consulting" firm was organized.
- x. Preparation of daily lecture taken report and monitoring by Pro VC/Dean-Academics/Associate Dean Academics.
- xi. Biometric attendance system for students in hostels introduced.
- xii. In situ monitoring of students during their internships and research projects in industry.
- xiii. 5 professional clubs for co-curricular and extra-curricular activities for students are in place.
- xiv. MOOCS courses started under SWAYAM portal.
- xv. Several academic, research and industry MOU's signed with foreign Universities and corporate firms of high repute.
- xvi. Each course has knowledge outcomes and skill outcomes which are in line with the objectives of the concerned program.

- xvii. Each course is broken down into separate lecture schedules with clear-cut learning outcomes. These learning outcomes collectively make up to the outcome of a particular course. ANNEXURE III
- xviii. All the courses in a particular program in a particular semester are compiled in the form of a booklet with syllabus, lecture schedules, practical details, problem sets and necessary discussion caselets.
- xix. Enhancing employability through skill enhancement, outcome driven curriculum and modern pedagogy.
- xx. Shoolini's online learning initiative (eUniv) has innovated continuous learning delivery
- xxi. For functional and soft skills, the SPRINT program has been started as a credit course for MBA students and is being rolled out to other Schools. SPRINT has the potential to be a role model for functional and soft skills training.
- xxii. Progressively shift to online examination and evaluation.
- xxiii. Faculty development programs
- xxiv. Industry linkages and collaborations.
- xxv. Strengthening of mentorship program.
- xxvi. Outer world exposure to faculty and students.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Mentioned under Point 2.15 of the report

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

Aspiring to be amongst the Top 200 Global Universities that too by a defined timeline requires 'out of box' solutions and sustained efforts. Having taken up the gauntlet, Shoolini University remains committed to fructify the vision of its founder; the coverage of C-fore's nationwide survey carried in the Education Watch issue of May 2015 has acted as a tonic and reinforced this commitment. Being ranked 124th out of over 693 universities nationwide and 54th Most Admired Research University within a short journey of less than six years is indeed heartening. The University has built its edifice on following 'Best Practices in Education' and is pro-actively leveraging technological solutions towards attaining its time bound goals.

Best Practice - 1

1. Title: Promoting Academic Excellence by blending Experience with Talent

2. Objectives of the Practice:

The bedrock for creating a world class University is contingent upon the quality of teachers, especially if it aspires to achieve excellence in academics and research. Though in congruence with the need of the hour for the nation, proliferation of universities and colleges has generated a pan India challenge for Institutes of Higher Education if they are to match and/ or better global standards. Within this, it is an uphill task for any up-coming 'private' University to attract and retain talented teachers to provide continuity in learning and research and at the same time, motivated to aspire for excellence.

Right from its inception, Shoolini University, envisioned itself to be among 200 global universities by the year 2022. To meet this time bound goal, it formulated its own model of faculty development with the aim of imparting balanced education and making its students employable. For this, it evolved a ‘Research Driven Model’, aimed at following an interdisciplinary approach between basic, applied and engineering sciences, with a wrap up of management sciences and liberal arts.

3. The Context:

In order to meet its ambitious goals, a ‘Four tier System’ for Faculty Development was evolved by the sponsors of the University, with pro-active support of visionary educationists and scientists, who remain either on its Executive or Advisory Board. The endeavour was to set up a world class University, combining academic and teaching pursuits with research for achieving aforesaid rank in 12 years starting from the year 2010.

An analysis of the global ranking mechanism both by the ‘QS’ and

‘The Times’, indicated that over 60 per cent emphasis laid on research and was calculated on the basis of research papers and their impact factor, resulting in h-index rewards, distinctions, patents along with quantum of extramural grants from public institutions and industrial sectors. Of the two ranking systems ‘The Times’ eligibility criteria is for filing application calls for a minimum of 200 research papers annually (continuously for five years) which may not be possible without the participation of meritorious and well trained Post Docs at the mid-level, along with the wisdom of Professors of Eminence who are available to train the younger faculty for and support the research driven model of the University.

4. The Practice:

The reputation of any University depends on the quality of teachers. Apropos, Shoolini University has adopted a four tier policy to attract outstanding and experienced teachers. The manning of teachers is therefore planned at four tiers:

- **Top Tier.** Distinguished and decorated scientists academicians
- **Mid-Tier.** These are mid-career (Senior Assistant and Associate Professors) teachers, either with Post Doctorate from Internationally acknowledged Centers of Excellence or teachers serving in similar positions in other institutes or holding mid-career positions in corporate sectors.
- **Intermediate Tier.** This tier includes young dynamic and NET qualified Ph.D's., who have the attributes to excel.
- **First Tier.** This tier is manned by in-house qualified Ph.D. scholars in pre-identified disciplines. This with the twin aim of training the talented, and also to guide their further pursuit under experienced and talented mentors.

For the top tier, Shoolini University created twelve positions of Professors of Eminence, and in the second tier it has recruited two dozen Post-Docs from the USA, Japan, Europe, Taiwan, Spain and South Korea and other reputed Centers from India and the Corporate Sector. At the third tier are young dynamic Doctoral teachers from renowned Institutes in India, while the first tier is manned by brilliant teachers who have registered for Ph.D. in pre-determined areas of the specialization.

Though desirable, paucity of funds is an impediment to increase the number of mid-career Post Doc teachers; the University having to spend three times better wages than their Indian counterparts. Presently a host of them are drawing more salary than their counterparts from public universities and even UGC scales.

Shoolini University recognizes that the commitment to increasing faculty does not end after the appointment of a new faculty member. Advancing and retaining talented faculty is just as important to enhance the quality and diversity of the faculty, as is the task of recruiting them.

Among the many factors that contribute to the advancement and retention of faculty is the working environment within various faculties, schools and the University. In order to provide an intellectually stimulating and socially congenial atmosphere, the University has instituted several initiatives to retain the faculty.

Some of them are listed:

- Compensation competitive and at par/better with top universities.
- Annual appraisal for enhancement of pay depending on the achievement(s).
 - Promotion of professional development.
 - Research support, especially to new faculty.
 - Spousal employment.
 - Safe environment, crèche and faculty club.
 - An award of Rs 10 lac for any research paper published in
- Nature or Rs 5 lac for publishing in any other distinguished
- journal of equivalent status.

The University has liberal rules to spend summer/winter vacations or sabbatical leave for finalizing their research finding and also for the purpose of strengthening of tie ups with their counterparts in foreign countries.

5. Evidence of Success:

Success of the practice of faculty engagement in the system can be gauged from the fact that over 90 per cent teachers have continued in the University. Consequently, noticeable

improvements have taken place in teaching, research and extension activities and is substantiated by the following achievements of the University:

- Within a short span of eight years, the University is ranked 124th in the list of leading universities of the country, 41st among Private Universities, and 54th in the list of Most Admired Science/Technology Universities. (C-fore survey carried in Education World issue of May 2015). 66 Rank in NIRF Rankings 2016.
- Ranked second amongst Bio-Science based Universities by Bio-spectrum- a prestigious journal.
- Visible cooperation and participation of teachers has led to enhancing employable skills and placement of students.
- Teachers participate voluntarily in activities relating to the revision of curricula. Choice based credit system has been accepted willingly from the academic session (2015-16) onwards.
- All teachers formulate their schedule of lectures and lectures are uploaded by the teachers on eUniv platform. The University is on its process to implement switch over of on- line examinations.
- Library has been made fully digitalized by in-house software development.
- The number of Ph.D. teachers has increased and currently there are many research scholars pursuing doctoral studies.
- Almost 24 teachers have external funding of their research projects. This totals to Rs 20 crores by way of extramural grants.
- Professors of Eminence at the top and mid-level of Post Docs has increased alliances with a dozen of countries for exchange of students and faculty. In the last two years 36 students have undergone semester exchange programs.
- 'h' index of 31 is the highest amongst all private and public universities established after 2008, in North India.
- All teachers and Ph.D. students publish papers in Scopus or Thomson and Reuter indexed journals.
- 100 patents have been filed by the University, essentially focusing on the biochemical and molecular studies on flora and fauna of Himalayas.

6. Problems Encountered and Resources Required:

- Despite such notable achievements, private universities have not been able to establish its credibility amongst the public and the academic community of public institutes. Young members often indulge in confrontation with the Professors of Eminence in private universities retarding growth.

- In the guise of enforcing quality education, the academic authority of the universities tends to get eroded. It needs to be reiterated that globally, Academic Councils are accepted to be superior to administrative regulatory authorities.
- Increase or decrease of number of seats in a program for the parity purposes and not on merit is un-academic.
- Any reduction in the number of doctoral students retards the utilization of talented and expensive mid-career Post Doc faculty. This also retards the vision of the University to be amongst globally ranked institutes.
- Lack of appreciation of global stands and enforcement of interpretations of regulations are generally counterproductive for those who strive for excellence. 'h' index of 31 achieved by Shoolini University, the highest among public and private institutes established after 2008, speaks of its research achievements by itself. Based on the above, the retention policy tends to fray as many teachers who have worked in the USA and other highly ranked Labs, murmur to return.
- Differential salary creates heartburning among teachers.
- Their mind set is to rest on previous laurels and bask in the glory of previous academic achievement, year of passing Ph.D., seniority of service etc. rather than on the quality of research papers published. To narrow down this gap, opportunities should be given to such teachers for Post Doc studies for which funds are required to be provided.
- Funds/resource requirement: Since this is a nationwide malady in the system of Higher Learning in India, and the gap needs to be bridged, it is recommended that the government needs should create a separate corpus fund for private universities and 50 per cent salary of NRI teachers engaged by the private universities should be borne by the government. Liberal research grants should also be given to the teachers working in private institutions so that this national pool is nurtured collectively as a national responsibility.

Best Practice - 2

1. Title: Developing Inclusive Competencies through SPRINT

2. Objectives of the Practice

Delivering uniform pedagogy to the diverse student population with varied demography, social background, exposure levels and language skills is a major challenge. The objective of the SPRINT (denoting accelerated learning) program, therefore is to promote personal and professional growth of each student and to make them globally competent. It attempts to inculcate professional ethics and respect for institutional values so that they are contributing members to the community and nation building.

3. The Context

The Confederation of Indian Industry (CII) released an illuminating report titled 'India Skills Report 2014,' highlighting the challenges that India faces in providing marketable skills and making the youth, 'employment ready.' While the Global Talent Index 2015 assesses that 39 percent of business houses around the world struggle to recruit the right persons, 64 percent of them citing the absence of requisite skills the challenge gets magnified for India as about 75 percent of the business houses struggle to find employable persons with the requisite technical and soft skills.

In view of these challenges, a pointed but sustained intervention was developed as a structured program to bridge gaps in the existing skill set of students. Tailored on the mini MBA program of Stanford University, the SPRINT program initiated by Shoolini University is a blend of classroom activities, simulation exercises, and real life experiences. The objective is to provide an inclusive learning environment, which is stimulating, relevant, and engaging; a fusion of functional and technical skills required for practical use in the real life. Feedback from students provides ample evidence that this form of 'experiential' learning has made a qualitative change in the students of the University, and been a 'Game Changer' in their lives.

4. The Practice

Learning new things is invariably a challenge; it can be mentally exhausting to learn new skills, that too in a short period of time. It is in keeping with these that SPRINT training modules are divided into small interactive sessions to extend the learning process throughout the course. This not only helps to maintain contact with students but periodic intervention also acts to refocus, yet offering the intervening time for self-improvement. In addition, frequent interaction with the corporate big wigs and experts from all walks of life opens the minds of students to wider horizons and varying perspectives which helps them to transit into the real world.

Each SPRINT has a central theme which differs for each module and it is need based, hence different for each school and semester. The program which was started as a pilot project for MBA students, has proved to be a major success story and enriched by the experience, this has been extended across all faculties of the University. SPRINT modules conducted for the MBA students are given below:

- **Induction.** This is a crisp program and acts as an ice breaker for new students once they come on board. This is a surefire way for students to bond with faculty, seniors and peer group to make them feel comfortable in the new environment. Students are given an opportunity to associate with the University's culture and blend in the environment supportive of their professional growth.

- **Ten Day MBA (Basic).** This SPRINT attempts to introduce course subjects to the students and helps the ones who are from various streams to understand the basics of subjects they have not studied earlier.
- **10 Day MBA (Advanced).** This deals with the subjects at an advanced level. It is interactive and case study are introduced for students on operational and practical aspects. Guest faculty adds value and is a good bedding in ground for students as they prepare for their transition to the corporate world
- **Entrepreneurship.** Business models, franchising, network distribution, Business plan, interaction with successful entrepreneurs are part of this Sprint. Students create and launch a short term business plan and even get rewarded for the one generating maximum revenue.
- **Self-Development.** Exhaustive sessions on written and verbal communication are conducted. Listening, articulating, probing, team work, time management and goal setting are some of the subjects of this SPRINT.
- **Pre Placement.** This is the longest and the most strenuous module which is of two-three weeks duration. Students go through mock interviews, group discussions, etiquettes, grooming, content enrichment etc. Dedicated trainers take charge of aptitude training which helps students to cross the first hurdle of the selection process. Students are guided to answer the FAQ's related to technical and soft skills. There is a strong corporate presence and top management of leading companies interact with students guiding them through the campus to corporate experience.

The program for other schools has been patterned on the lines given above, though the technical content and placement requirements differ.

5. Evidence of Success

Students are the heart and soul of a University and are required to be trained and developed so they can reach their full potential. An employer may spend a fortune on hiring the most promising newcomers, but if not trained properly, even the talented will fail to deliver. This highlights the fact that such programs need to be student centric and focused. Enhancement of confidence, communication skills and overall personality of students is reflected in the student's ability to face interviews with sought after companies which have very stringent recruiting procedures - the success of this program is evident from the response of recruiters.

- Alumni feedback is another evidence that validates the success of this program. They have expressed that undergoing the program has been a game changer for them as they feel a significant difference in their overall persona.
- The demand for this program has spread not only across the entire University but in other educational institutes.

- The enhancement in confidence levels of students is also apparent from the way they are able to compere shows, make presentations and organize events without interventions.
- Faculties who were skeptical of this program now ask for it on a regular basis.
- Shoolini students stand out during their training periods and seem to be more in control of their “Campus to Corporate” journey. This program has played a significant role in the laurels earned by The School of Business Management and Liberal Arts. It is essentially because of the success of the SPRINT that the school has been ranked the best private upcoming business school by ASSOCHAM India.

6. Problems Encountered and Resources Required

The success of this program has not been without roadblocks.

- Since the demand for this program outstripped capabilities, it was a challenge to cater to large numbers.
- Maintaining the quality of the program remains a major challenge.
- Important resources required for SPRINT are top class infrastructure, dedicated trainers, corporate interaction and an environment that fosters learning. Support from governmental bodies would go a long way in supporting programs like this which are a very crucial part of the National Skill Development Program

7.4 Contribution to environmental awareness / protection

Since sustainability of the Himalayan eco-system is a thrust area for Shoolini University, it is incumbent that the focus is directed on environment, especially since the University is nested in the Mid Himalayas. This includes taking up eco preservation in an institutionalized manner and focused research for the rejuvenation of the eco-system.

It was for this purpose that the University started an ‘Eco Club, in early 2012, with the aim of creating a ‘Clean and Green Consciousness’ on campus, and progressively extending to the immediate neighbourhood and the larger Himalayan Region. It was in pursuance with this aim that the University not only takes pride in being a ‘neat and litter free’ campus, but being a part of the Prime Minister’s ‘Swachh Bharat Abhiyan’ and undertaking research on Himalayan sustainability, individually and as part of the consortia of Himalayan Universities.

Students and faculty members of the university have been actively participating in Swachh Bharat Abhiyan started by the Prime Minister of India. On 2nd Oct, 2016, the students and staff took the initiative of cleaning solan town. The university also installed dustbins at various places in the city. Similarly, on 2nd Oct, 2017, the university’s students and staff held a candle march to spread awareness about the Swachh Bharat Abhiyan of the Government. In addition, the students and staff of the university have regularly been involved in plantation activities.

The Shoolini university has always been concerned about the economic plight of marginal hill farmers. In partnership with the Yogananda Satsanga Society of India and University of Horticulture and Forestry, Nauni, Solan, the university has adopted the Panthi Village in Shimla District, HP, for plantation of fruit trees- with the objective of creating ecological conservation as well as creating a secondary source of income for farmers in this dry and arid region. On February 8, 2015, several plants were distributed to villagers. Since the adoption of the village, over seven thousand saplings have been distributed free of cost to the farmers. The survival of these plants and after care is monitored.

7.5 Whether environmental audit was conducted? Yes ☐ No ☒

7.6 Any other relevant information the institution wishes to add. (For example SWOT Analysis)

Shoolini's biggest Strength emanates from its determination to excel in academic repute and outshine in the quality of research, and by so doing, be counted in the elite club of Premier Institutes globally. Adding objectivity to this ambitious vision is the defined timeline of 2022. The fact that this vision is shared by the Trustees, Management and more importantly, by faculty and staff who are the life and blood of this institution, remains a major support.

Shoolini's focus on research and development across Schools and its success to date, is its second biggest strength.

In the short journey of the University thus far, there has been infusion of substantial government funds for research (over 25 Crores). With thirty (funded) labs, over a hundred patents and an 'h' factor of 31, Shoolini has emerged as a leading contender in the list of 'Most Admired Science Universities,' a distinction that places it heads above its contemporaries in India.

8. Plans of institution for next year

The uniqueness of the Himalayas biodiversity offers thousands of unanswered research issues which can make India a front runner in the drug industry. The need is to undertake research work through coordinated efforts by Himalayan Universities. Shoolini University with a dozen patents in the field of life sciences can play the leading role among the Consortium of Himalayan Universities.

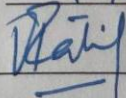

In addition, bio-remediation, climatic change and conservation of water resources along with rehabilitation of bio-ecological and geological ecosystems need to be taken for societal benefits. Shoolini University needs to play the lead role in formulating joint projects for international funding on the aforesaid themes. While a start has been made, we need to further energize research efforts on the myriad issues that afflict the Himalayas. In order to be acknowledged as a premier institute in this field, we need to undertake outcome driven research. At the same time, the approach should be multi-disciplinary with multiple objectives and outcomes. Apart from opportunities within the institution, collaborative projects need to be formalized within the consortium of Himalayan Universities, Governmental Bodies and NGO's. In addition, this opens up another area for collaboration with China through the MoU with Lanzou University.

In view of its growing importance and expanding domains in the fields of ICT and the Cyber world, coupled with the technical acumen and proven prowess of the University, there is a great opportunity to expand different fields in academics and to undertake research. In view of the fact that HP intends to be an IT hub, there is ample opportunity for expanding the scope of ICT and taking it to the next level – the role of a Center of Excellence being pivotal for this initiative.

In order to strengthen over activities the focus will be on:

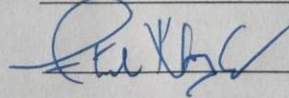

1. Broad basing Funding and Governmental Support
2. Enhance Reach-through Technology and Linkages
3. Improve Quality of Academic faculty

ANNEXURE I

Shoolini University
Academic Calendar – 2016-17
FOR OLD/ NEWLY ADMITTED UG, PG and Ph.D. STUDENTS

Course Title and Code to be offered	June 20, 2016
Meeting of Academic Council	June 24, 2016
Admission Call by Admission Cell	June 27-July 01, 2016
Allotment of courses and Notification by Deans	July 01, 2016
Course Design and Lecture Schedule	July 15, 2016
Release of Time Table by Vice Chancellor	July 28, 2016

SEMESTER (ODD)

	All old students (UG/PG / M.Phil/ Ph.D)	Newly admitted Undergraduate Students	Newly admitted M Sc/ M BA/ M Pharma / M.Tech Students	Newly admitted M.Phil / PhD Students
Registration	Aug 1, 2016	Aug 8-9, 2016	Aug 10-11, 2016	Aug 16, 2016
Orientation/ Induction/ I Card Preparation/ Fee for newly admitted students	–	Aug. 09, 2016 (Compulsory to attend)	Aug. 11, 2016 (Compulsory to attend)	Aug. 17, 2016 (Compulsory to attend)
Commencement of Classes	Aug 2, 2016	Aug 10, 2016	Aug 12, 2016	Aug 17, 2016
Late Registration (With late fee)	Aug 2-05, 2016	Aug 10-16, 2016	Aug 12-18, 2016	Aug 17-19, 2016
Indoor Sports Championship	Aug. 20-21, 2016	Aug. 20-21, 2016	Aug. 20-21, 2016	Aug. 20-21, 2016
Teachers Day(Marathon 2015)	Sept 5, 2016	Sept 5, 2016	Sept 5, 2016	Sept 5, 2016
I Term Examination	Sept 21 – 23, 2016	Sept 21 – 23, 2016	Sept 21 – 23, 2016	Sept 28 – 30, 2016

Intra University Cultural Competition	Oct. 06-08, 2016	Oct. 06-08, 2016	Oct. 06-08, 2016	Oct. 06-08, 2016
Shoolini Univ. Foundation Day (Third Convocation)	Oct. 16, 2016	Oct. 16, 2016	Oct. 16, 2016	Oct. 16, 2016
II Term Examination	Oct. 26-28, 2016	Oct. 26-28, 2016	Oct. 26-28, 2016	Nov 7-9, 2016
Diwali Vacation Student/Staff	Oct 29 – Nov. 4, 2016	Oct 29 – Nov. 4, 2016	Oct 29 – Nov. 4, 2016	Oct 29 – Nov. 4, 2016
University Athletic Meet	Nov 19-20, 2016	Nov 19-20, 2016	Nov 19-20, 2016	Nov 19-20, 2016

Note:

1. Quiz/Surprise test will be during class period.
2. Instructors will be giving assignments (8 for UG and 5 for PG) and after evaluation will return to the student within 4 days of submission.
3. Instructors to submit result of I, II term within 4 days of examinations to Controller of Examination through Dean Academics.

ANNEXURE II

FEEDBACK ANALYSIS

Student feedback was taken on a predesigned questionnaire. The questionnaire was uploaded on the euniv (learning management system LMS) of the university. The questionnaire consisted of six parameters viz. General, Content, Pedagogy, Communication/ Control, eUniv and Overall Rating. Parameter *General* had one item namely 'regular and punctual in taking the classes'. *Content* had two items namely 'has good subject matter knowledge/command over the subject' and 'subject or the topic is presented systematically, clearly and according to the lecture schedule'. Parameter *Pedagogy* had two items namely 'encourage students participation and class discussions' and 'use of PPTs/audio-visual aids/examples/diagrams'. Parameter *Communication/Control* had two items namely 'easily/comfortably manages/ handles (any misconduct behaviour) the students in class' and 'language/words/gestures/sound is loud & easily understood'. Parameter *Euniv* had two items namely 'course supplement on euniv is regularly updated with sufficient content (lecture schedule, PPT, Pdf, student notes, video lectures)' and 'takes tests, assignments etc. on euniv'. Parameter *Overall Rating* consisted of two items 'should he/she be teaching this course to the next set of students' and 'what is your overall rating for the teacher with respect to this course'.

All the questions were asked on a Likert scale consisting of five categories namely: strongly disagree, disagree, neutral, agree and strongly agree. One question of the overall rating parameter consisted of responses ranging from 1 star to 5 stars. There was also one open ended question in the form which asked about any other suggestions or comments of the students. All the responses of the students were anonymous in order to make the process fair. The process of taking students' feedback is run at the end of the semester wherein each class is given an IT lab slot (date and time) during which they give the feedback of the respective course teachers. The data thus generated was analyzed by the centralized IT department of the university. From the analysis of the student feedback data of the year 2016-17, it was seen that all the faculty members of the university had a consolidated average score ranging from 3.26 to 4.87 (Refer images below). This implied that most of the faculty members had an above average feedback.

Sample Feedback

Mode: Anonymous

There are required fields in this form marked *.

General

Regular and punctual in taking the classes.*

- ☐ Strongly Disagree
- ☐ Disagree
- ☐ Neutral
- ☐ Agree
- ☐ Strongly Agree

Content

Has good subject matter knowledge/ command over the subject.*

- ☐ Strongly Disagree
- ☐ Disagree
- ☐ Neutral
- ☐ Agree
- ☐ Strongly Agree

Subject or the topic is presented systematically, clearly & according to the lecture schedule.*

- ☐ Strongly Disagree
- ☐ Disagree
- ☐ Neutral
- ☐ Agree
- ☐ Strongly Agree

Pedagogy

Encourage student participation and class discussions.*

- ☐ Strongly Disagree
- ☐ Disagree
- ☐ Neutral
- ☐ Agree
- ☐ Strongly Agree

Use of PPT's/ audio-visual aids/ examples/ diagrams.*

- ☐ Strongly Disagree
- ☐ Disagree
- ☐ Neutral
- ☐ Agree
- ☐ Strongly Agree

Communication/Control

Easily/ comfortably manages/ handles (any misconduct/ misbehavior) the students in class. *

- ☐ Strongly Disagree
- ☐ Disagree
- ☐ Neutral
- ☐ Agree
- ☐ Strongly Agree

Language/ Words/ Gestures/ Sound is loud and clear & easily understood. *

- ☐ Strongly Disagree
- ☐ Disagree
- ☐ Neutral
- ☐ Agree
- ☐ Strongly Agree

eUniv

Course supplement on eUniv is regularly updated with sufficient content (Lecture Schedule, PPT, PDF, Student notes, Video Lectures) *

- ☐ Strongly Disagree
- ☐ Disagree
- ☐ Neutral
- ☐ Agree
- ☐ Strongly Agree

Takes tests, assignments etc. on eUniv. *

- ☐ Strongly Disagree
- ☐ Disagree
- ☐ Neutral
- ☐ Agree
- ☐ Strongly Agree

Overall Rating

Should he/she be teaching this course to the next set of students.*

- ☐ Strongly Disagree
- ☐ Disagree
- ☐ Neutral
- ☐ Agree
- ☐ Strongly Agree

What is your overall rating for the teacher with respect to this course?*

- ☐ 1 Star (Lowest)
- ☐ 2 Star
- ☐ 3 Star
- ☐ 4 Star
- ☐ 5 Star (Highest)
