About the Conference

Faculty of Legal Sciences, Shoolini University is organizing one day NATIONAL Conference on Cyber Law & Administration of Criminal Justice System on 16th of March 2019.

The technological development has given rise to a cyber-world constituting cyber space. Cyber space is witnessing considerable advancement with the rapid

increase in the information technology. It is always hard to determine or predict something in the future in an accurate manner. There is a possibility to consolidate the technological advancements in the past. The internet users are increasing tremendously every year and at the same time there is also rise in the number of people using mobiles and smart phones. However, the challenge before a lawmaker is not only to develop appropriate legal regimes enabling protection and preservation of cyber security, but also to instill a culture of cyber security amongst the net users.

The renewed focus and emphasis is to set forth effective mandatory provisions which would help the protection, preservation and promotion of cyber security in use of computers, allied resources and communication devices.

This Conference will provide an opportunity to bring together the curious and inquisitive students to the legal luminaries and professionals who are involved in the area of criminal law. The Conference will be an educative event consisting of invited talks and panel discussions to galvanize the targeted aware citizens for the benefit of the criminal justice system prevailing in the country.
