Dear Dr Khosla

Vice Chancellor
Shoolini University

Greetings from Rotary Club Solan

I would like to express my sincere thanks to Shoolini students and the YouWeCan doctors who have supported several of our medical camps which were held in Himachal Pradesh for detection of breast and oral cancer.

Your students worked selflessly for good causes and one can see that they genuinely care for the welfare of the society. Shoolini is undoubtedly raising not only good students but great human beings as well.

Once again, I would like to extend my appreciation for the efforts of your students. I wish that they will continue with the same spirit in future also.
