

Shoolini Code of Conduct

The University aims to equip the students to meet the challenges of the 21st century. Our endeavour is to inculcate a high sense of professionalism combined with values and integrity. These attributes should be reflected in the everyday behaviour, attitude and dress of our students. Students should refrain from conduct that might damage the reputation of the University or lead to the disruption of any academic program of the Campus.

Accordingly the following Code of Conduct is applicable to all students:

2. Students are strictly reminded that gender mixing is permissible only within the accepted social and cultural norms of the society. Faculty tolerance should not be construed as an approval to undue intimacy and unacceptable proximity, openly or in isolated areas.
3. It is the responsibility of all to keep the campus environment clean and tidy. Therefore, no littering or trash should be carelessly thrown or left on the Campus premises. The designated waste boxes should be used for the purpose.
4. Students are advised to refrain from any damage to the university fixtures, furniture or property. Scribbling/carving on desks and chairs, writing on walls, misusing lab equipment, etc is prohibited and will lead to the student being fined and may attract disciplinary action.
